League Administration & Umpire Clinic's | Friday & Saturday, January 11&12, 2013 | Madeira Beach, Florida

We Hit The Road
So You Don't Have To.

With nearly 7,000 leagues nationwide, it would be impossible for Little League's professional staff members to conduct league administration, umpire and coaches clinics for each. Nonetheless, our top staff members and volunteers have teamed up to bring truckloads of tips to your backyard. Consider it a live version of the publication "A Year In the Life of Hometown Little League!"

Clinics may vary slightly from site to site, but at every stop local league volunteers just like you will learn how best to implement the Little League program in their town or neighborhood.

Who ultimately benefits?

The players and their families! Because a well-run league is more fun for children and adults alike!
