

LITTLE LEAGUE ® APPLICATION FOR DIVISIONAL FORMAT

This request is for the 20__ season.

League Name _____ League ID No. _____

Divisions (list all that apply ie: Major Baseball, Minor Baseball, Minor 8-9 Baseball, Major Softball, etc.)

Name of Sub-Divisions (examples: American/National, Red/Blue, East/West, International/Continental):

Method for dividing (*choose one, and supply noted information*)

Geographical Method (*a map, with clearly defined boundaries for both leagues, signed and dated by the President(s) involved and District Administrator, must be sent with this application to Regional Headquarters for approval.*)

Odd-Even Birthdate Method (*specify below which League will use players with odd birthdates and which group will use players with even birthdates.*)

Odd Birthdates _____ Even Birthdates _____

First Letter of Last Name/Surname Method (*specify below which League will use players with first letter of last name/surname of A-L, and which group will use M-Z.*)

A-L _____ M-Z _____

Common Pool Draft Method (*Requires separate form.*)

Other (*Alternate Draft Method – any method not listed above, and not listed in the current Operating Manual must be fully explained in detail in attached letter, and must be approved in writing by Regional Director before implementation.*)

I understand that each Sub-Division will be required to field one Tournament Team in each division, unless permission to combine for Tournament Teams is granted for the year in question in writing by the Regional Director. I understand that eligible players who legally played in a particular Sub-Division (see Tournament Rules) will be eligible only to be selected to that Sub-Division's Tournament Team.
