Making it 'Safer for the Kids'

Rule Changes Enhancing Safety

- **New in 2007** – The minimum requirement is a NATIONAL check of ALL Sex Offender Registries.
- **Little League Volunteer Application Form use is required for background checks**
 - Required to conduct checks for all managers, coaches, Board of Directors members, league officials, umpires, elected members, and any other persons, volunteers or hired workers, who provide regular service to the league and/or has with repetitive access to , or contact with players or teams

Background Checks

- In addition to meeting the minimum requirement of checking the United States Department of Justice National Sex Offender Registry, (www.nsopr.gov) Little League strongly encourages all leagues to also utilize the national criminal records search available through the Little League website. This additional criminal records check may provide additional important information regarding the criminal records of individuals whose crimes do not require that they be listed on a sex offender registry. For example, convictions for assault, battery, theft or drug offenses would not result in a report to sex offender registry.
- Information on how to utilize this benefit, as well as how to conduct background checks, can be found on the Little League website at <http://www.littleleague.org/learn/programs/childprotection.htm>.

Making it 'Safer for the Kids'

- **Just asking applicants to fill out form may eliminate problems**
- **LexisNexis is an option to leagues. First 125 checks free to leagues and districts; add'l checks available for a low fee of \$1.00 per name checked. Instant nationwide internet check including SOR and criminal data.**

4. Volunteer Application & Background Checks

- If a league learns of an individual such as a volunteer, player or hired worker that has been convicted of, or pled guilty to, a crime involving or against a minor, then the league must inform the applicable government agency for confirmation. Once confirmed, that individual may not participate with Little League **in any manner. No Exceptions.**

Background Checks

- Live Scan check in California make sure it is a National check NOT just a state check
- Massachusetts must do 2 background checks, a CORI plus a national check. The CORI check only checks state data bases.
- Any national check must include ALL 50 states' Sex Offender Registries.
