

## Little League® International Office of the Vice President of Operations

**MEMO**

**FROM:** Patrick Wilson, Sr. Vice President of Operations and  
Program Development

**DATE:** October 13, 2016

**SUBJECT:** Louisville Slugger / Wilson Sporting Goods –  
WTLYB9172, PRIME 917 -12

---

To Whom It May Concern:

This letter will serve as confirmation to Louisville Slugger / Wilson Sporting Goods and Little League's constituents that the model has received a waiver of the composite bat moratorium placed on 2 ¼" barrel composite bats effective 12/30/2010.

Little League is in possession of a passing test report conducted by an independent laboratory that confirms that the Louisville Slugger 2017, WTLYBP9172, PRIME917 -12, did pass the required BPF-ABI testing for composite bats. *However, if in the future, it is determined that this bat fails to comply with the BPF-ABI standard, Little League reserves the right to require the manufacturer to immediately remedy the situation in accordance with your licensing agreement.*

Please utilize this memo as official notification that Little League International will allow the above referenced model to be used during regular season and tournament play.
