HOTELS/ACCOMMODATIONS

Accommodations are extremely limited in the Williamsport area during the World Series. Information on hotel accommodations may be obtained by visiting LittleLeague.org/Hotels.

PARKING

The parking area (Lot "S") for the media covering the World Series is located at the Little League International Complex off of Stadium Drive, which can be accessed from Mountain Ave. (See map on back). A Media Parking Pass is required, and may be obtained from the Media Credential Pickup Area at Lamade Stadium. **NOTE:** The first time you park, please use the temporary access pass that is emailed to you. The name on the pass must match your photo ID. Limited temporary parking will also be available while you pick up your credentials. Parking is very limited, so an early arrival is suggested, particularly for night games and games later in the tournament. Overflow media parking may be required in public parking areas.

SATELLITE TRUCK/PAK PARKING

Members of the media that have requested, and have been approved, for satellite truck parking with a vehicle that has a fixed satellite, are permitted to park in the designated lot near the loading dock of Little League International Administrative Building. Television stations utilizing satellite backpacks, or portable satellite broadcast equipment, are permitted to park in the designated lot in the area above the ESPN Compound only during the time of their broadcast. This space is a first-come, first-serve area and should only be used for portable satellite stand-up hits. Media members must return to the general media parking if they are not actively broadcasting a segment.

ARRIVAL

Upon check-in, you will be required to produce documentation to show that you are a member of the working media as well as a photo ID. After you have received your credentials at the Media Credential Pickup Area, you are encouraged to familiarize yourself with the surroundings. The Media Relations Staff will help with anything you may need.

(Note: Photographers and videographers will need to sign a statement detailing the conditions under which they will receive credentials.)

TRADEMARK PROTECTION

Little League Baseball® is a Federal Incorporation granted by way of a bill signed into law by President Lyndon B. Johnson on July 17, 1964, and amended Sept. 24, 1974, to reflect the admission of girls. The legislation, which received unanimous approval in both the U.S. Senate and the House of Representatives, is Public Law 88-378. It is the highest recognition that the federal government can accord. It provides for incorporation of Little League Baseball in all 50 states as an educational institution, endowing the program with protective integrity by the U.S. Government.

Action of the President and Congress places Little League in the same category as the Red Cross, Boy Scouts, Boys Clubs of America and a select group of others similarly chartered. However, Little League is the only youth sports organization so honored. The Federal Charter of Incorporation requires Little League to submit its annual report directly to the U.S. Congress each year.

The following are registered trademarks and service marks of Little League Baseball, Incorporated. These marks are protected both by a special Act of Congress and registrations with the United States Patent and Trademark Office. All rights in and to any and all marks of Little League Baseball, Incorporated, are reserved. The use of the Little League Trademarks by any person, organization, or business entity in an unauthorized fashion is strictly prohibited, as it is classified and defined as a misuse of Little League's trademark rights.

- Little League®; Little League Baseball®; Little League Softball®;
- Little League®; Little League® Baseball and Softball
- Senior League Little League Baseball®; Little League Challenger Division®;
- LL®, LLB®, Dugout the Mascot™ and image

NOTE: Little League Baseball is listed in the Associated Press Stylebook and Libel Manual. The words "Little League," "Little League," etc. should only be used in conjunction with youth baseball and softball programs chartered with Little League Baseball, Incorporated.

Please note that any unauthorized use of these aforementioned marks is considered an infringement violation and is subject to legal arbitration. Little League has the authority to seek injunctive relief to remedy such situations if misuse actions continue to become a state of punitive and/or detrimental consequences.

MLB LITTLE LEAGUE CLASSIC

MLB CREDENTIALS

Members of the media who are credentialed for the LLBWS **are not** automatically qualified for credentials for the MLB Little League Classic at Bowman Field on August 18, 2019. Any member of the media looking for credentialed access must submit separate credential requests for each respective event. Deadline for credential requests for the MLB LL Classic at Bowman Field is August 9.

MEDIA INFORMATION

Specific information regarding the MLB Little League Classic and media involvement at the Little League International Complex will be provided to the media closer to the event. Information regarding the regular-season event at Bowman Field should be directed to Steven Arocho, MLB Senior Director of Baseball Communications and Youth Engagement, via email at steven.arocho@mlb.com.

THE INTERNATIONAL TOURNAMENT

Each Little League® season concludes with International Tournament play for Little Leaguers® in seven divisions. The tournament trail begins in early June and leads to seven World Series tournaments in July and August.

The oldest, and best-known, championship tournament is the Little League Baseball® World Series. The other six World Series tournaments are held at sites across the United States prior to the Little League Baseball World Series. It is the culmination of many weeks of local league play and provides participants with the opportunity to travel, make new friends, and engage in friendly competition.

TOURNAMENT STRUCTURE

Double-elimination is played at most levels of the Little League International Tournament, which includes a full tournament structure in seven divisions of baseball and softball.

The tournament is under the direction and authority of the Little League International Tournament Committee in Williamsport, Pa. Members of the Tournament Committee are: **Chairman Patrick W. Wilson** (International Tournament Director, Senior Vice President and Chief Program Operations Officer), **Stephen D. Keener** (President and Chief Executive Officer), **Nick Carangi** (Senior Assistant Tournament Director, Senior Director of Operations and Education), **Demiko Ervin** (Director of the Urban Initiative), **Jamie Joy** (Manager of Operations), **Daniel Kirby** (Vice President of Risk Management), **Sam Ranck** (Assistant Tournament Director and Director of League Development and Challenger Division), **Brent Stahlnecker** (Director of Risk Management), **Sara Thompson** (Director of Softball Development), and **Daniel Velte** (Senior Tournament Director, Senior Director of Regional Operations and League Development).

More than 6,500 teams, approximately 6,000 teams in the U.S., begin the tournaments in the Little League Baseball division. About 6,000 are eliminated in the first three weeks of play. About 45,000 games are played in seven divisions leading up to the various World Series tournaments. More than 16,000 of those games are played

in the Little League Baseball division, the equivalent of more than six Major League Baseball seasons.

District: This is the first level of play. Most district tournaments begin around the first week of July, lasting from one to three weeks. Some large districts, or those made up of widely dispersed teams, play in area tournaments before advancing to a district final or semifinal. Some district tournaments are played in a modified Olympic Pool Play format.

State, Province, or Country: This is the next major level of play. However, in some states, provinces, or countries where there are many leagues, a sub-tournament is played, usually referred to as Sectionals. State, provincial, or national tournaments are generally played around the last week of July or the first week of August. Most of these tournaments are played in a standard double-elimination format.

Region: This is the third level. However, there may be one or two pre-regional tournaments (Section or Division Tournaments) played in some areas before advancing to the regional level. Regional tournaments are usually played in the first or second week of August. Most are double-elimination, but a few use the modified Olympic Pool Play Format.

World Series: This is the final level of tournament play. 2019 LITTLE LEAGUE BASEBALL® WORLD SERIES

The Little League® International Tournament is the premier youth baseball and softball competition in the world. Tournament play is regarded as an important supplemental phase of the Little League program. There is no obligation on the part of any league to enter the tournament, but a majority participate annually.

Little League Baseball® Tournament teams are made up of players selected from among the Major Division teams in local leagues. The maximum number for a roster is 14 Little League age (10- to 12-year-old) players. League age is the age attained by a player as of August 31 of the current year. Managers and coaches are also selected from the membership of local leagues.

There are eight regions represented in the United States and eight International regions, including four countries which have an automatic bid to the tournament (Australia, Canada, Japan, and Mexico). Tournament play is conducted through the various levels to ultimately determine regional champions. Each regional champion is invited to participate in the World Series in South Williamsport, Pa.

Thanks, in part, to the support of Little League's official sponsors, there is no fee of any kind for any team competing in the Little League Baseball World Series. Little League International pays all of the expenses for all teams, including travel. While at the Series, the teams are housed in dormitories on the complex, and food is provided – all at no charge. All teams are provided with identical accommodations.

Additionally, every local Little League program in the United States with a team that travels 150 miles or more per one round trip to a section, state, and region level tournament receives a reimbursement from Little League International of \$1 per mile for one round trip to each tournament site, to help offset travel expenses. Teams advancing to the regional level in the U.S. receive an additional \$200.

Little League is able to pay this because every league in the United States pays a one-time entry fee of \$200 for each team entered in the International Tournament. This fund is restricted only to offsetting tournament expenses. The Little League International Tournament Travel Fund provided nearly \$4 million in support to local Little League team's participating in the tournament each year. This fund is also used to transport the Little League Baseball World Series teams to and from South Williamsport, Pa., and other baseball and softball World Series sites.

Additionally, volunteer tournament organizers at each of the regional levels worldwide are provided \$5,000 to help offset expenses. Little League International also provides \$10,000 in additional support to each of the six World Series Tournaments held outside of Williamsport.

To qualify for the Little League Baseball World Series, a team comprised of 10-, 11-, and 12-year-olds in a local Little League program must advance through the world's largest elimination tournament. At the World Series in South Williamsport, the average game attendance is normally well over 20,000, with crowds of 30,000 or more for the championship game. A record 469,964 fans attended the 32 games at the 2015 Little League Baseball World Series, breaking the previous record of 414,905 fans that attended the 31 games at the 2011 World Series. Millions more see the games on the ESPN Networks and ABC.

One of the most unique pieces of the event is that there is never any admission charge to attend the Little League Baseball World Series each August. There is limited General Public seating in Lamade Stadium, which seats approximately 3,300, and Volunteer Stadium, which holds about 3,000. Seating is always available on the famous "hill" overlooking the outfield fence of Lamade Stadium, where no ticket is required. The "hill" just beyond the outfield fence of Lamade stadium offers excellent viewing and can accommodate up to 30,000 more fans.

General Public seating for Aug. 15-22 is available on a first-come, first-served basis on the day of the game(s). General Public tickets/passes, if utilized, are not available in advance, and are available at the Will Call window on a first-come, first-served basis.

For Championship Weekend, Aug. 24-25, General Public tickets, if available, will be distributed prior to the respective games at the Will Call Window on a first-come, first-served basis and each individual in line may obtain only one ticket.

The Little League Baseball World Series is also a fun and affordable opportunity for an all-day family outing. A family of four can attend the Little League Baseball World Series (with no charge for parking or admission), purchase a souvenir program, and each person in the family can have a hot dog, french fries, and a large soda all for about \$30.

The highest estimated attendance for a Little League Baseball World Series game was also set in 2015. The single-game record was eclipsed at the U.S. Championship Game between Red Land LL (Mid-Atlantic Region) and Pearland East LL (Southwest Region) with approximately 45,716 people in attendance. The World Series Championship Game attendance record was set in 2001, when National Little League from Apopka, Fla., played Kitasuna Little League from Tokyo, Japan, in the championship game before 44,800 people.

NOTE: These attendance numbers are estimations. Exact figures are not available since tickets are not required for most fans and there are no turnstiles.

LITTLE LEAGUE BASEBALL® WORLD SERIES UMPIRING CREW

Appointment as a member of the umpiring crew for a World Series is the highest honor that Little League® can bestow on a volunteer umpire. The selection process to become a Little League Baseball® World Series umpire is lengthy and rigorous. The process begins with a recommendation from the District Administrator, within their district, to umpire in a Little League Regional Tournament. Little League's nine regional offices then consider all nominated umpires before selecting those who most closely meet the selection criteria. The umpires volunteering at each Regional Tournament are then evaluated and can receive one of two recommendations: Recommend working another Regional Tournament or Recommend a World Series assignment.

Once an umpire has earned a World Series recommendation, the umpire must indicate that they wish to be considered further and are then screened annually by Little League International and Regional staffs for selection to umpire in a Little League World Series tournament. Here are the 16 dedicated volunteers who have been chosen to work the 2019 Little League Baseball World Series.

TEAM HOSTS

Every year, the focus of the Little League Baseball® World Series is placed squarely on the players from the 16 teams that come to South Williamsport, and it is up to the 32 team hosts and seven utility hosts to make sure those players have a Little League® experience that lasts a lifetime.

Two team hosts are responsible for ensuring that each team is on time for games and practices, arranging their team's uniform fittings, helping with the coordination of the media activities, and making sure that many other daily tasks go smoothly for the players, coaches, and managers. The seven utility hosts assist in all other day-to-day activities. Throughout the course of their time in Williamsport, the hosts forge a lasting bond with their players, coaches, and managers over the course of the Little League Baseball World Series, and many stay in touch after the World Series is over.

This summer, on June 12, the official team designations for the 2019 Little League Baseball World Series were randomly drawn by a group of volunteer team hosts prior to the annual Little League Baseball World Series Luncheon. Those designations are listed below. The number of years the individuals have volunteered as a team host is in parentheses after their name.

WORLD SERIES FORMAT

The format for the 2019 Little League Baseball® World Series is divided into two distinct phases:

Phase One consists of Game No. 1 through Game No. 26, plus two consolation games.

Phase Two consists of four games: Game No. 27 through the World Championship Game.

Once Phase One has been completed, any losses in that phase have no bearing on the second phase. However, pitching records will carry over to the second phase.

The 16 teams are divided into two brackets: eight teams in the International Bracket and eight teams in the U.S. Bracket. Each bracket follows the same two-phase arrangement. Home and visitor designations are determined by a coin toss, unless the game is between an undefeated team and a team with one loss. Then, the undefeated team has the choice of being home or visitor.

PHASE ONE

In Phase One, the two brackets follow a double-elimination tournament structure. For the four teams that lose their first two games, two "crossover" consolation games are scheduled where U.S. teams will play International teams. Both of these games are televised, giving all teams in the Little League Baseball World Series at least three televised games.

In a standard double-elimination tournament, the team coming out of the losers' bracket, which would have one loss, would have to twice defeat the winners' bracket finalist in order to advance. However, under the modified format, Phase One ends with the final game of the losers' bracket.

There is no "if-necessary" game in either bracket. Instead, the winners' bracket finalist and the losers' bracket finalist are the two teams in each bracket (for a total of four teams) that move on to Phase Two.

PHASE TWO

This phase (Game No. 27 through the World Championship Game) features a simple four-team, single-elimination format. Games won or lost in Phase One have no bearing on Phase Two.

In Phase Two, the two remaining teams in the International Bracket play a single game for the International Championship, and the two remaining teams in the U.S. Bracket play a single game for the U.S. Championship.

The two losing teams in the International and U.S. Championship games will play in a Consolation Game.

The winners of the International and U.S. Championship games play a single game for the Little League Baseball World Championship.

2019 LITTLE LEAGUE CHALLENGER DIVISION® EXHIBITION GAME - SATURDAY, AUGUST 24

The 2019 Little League Challenger Division® Exhibition Game will take place on Saturday, August 24, at 10:30 a.m., and showcase the opportunities that the Little League Challenger Division provides to more than 30,000 children with physical and intellectual challenges in more than 900 leagues worldwide.

This year, Massachusetts District 12 Challenger Little League and Peterborough (Ontario) Challenger Baseball League have officially been announced as the participating teams. For more information on both teams, visit LittleLeague.org/Challenger.

The Little League Challenger Division® Exhibition Game has been a part of the Little League Baseball World Series schedule since 2001. Little League International supports the participating leagues with a \$15,000 grant to help offset the costs for the teams to participate in the Exhibition Game.

LITTLE LEAGUE® BY THE RULES

Most of the rules that govern play in Little League Baseball® are the same as those used at other levels of play. But, there are a few rules that you will find only in Little League Baseball. What follows is a short explanation of some of the more prominent rules that are specific to Little League Baseball.

PITCH COUNT

Pitchers removed from the mound may not return as pitchers. The manager must remove the pitcher when said pitcher reaches the limit for his/her age group (see below), but the pitcher may remain in the game at another position.

League Age 10: 75 pitches per day

League Age 11-12: 85 pitches per day

Exception: If a pitcher reaches the limit imposed above for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: 1. That batter reaches base; 2. That batter is put out; 3. The third out is made to complete the half-inning.

Note: A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day. A player who catches in four or more innings in a game is not eligible to pitch on that calendar day.

Note: A player who played the position of catcher for three innings or less, moves to the pitcher position, and delivers 21 pitches or more in the same day, may not return to the catcher position on that calendar day.

Pitchers league age 10-12 must adhere to the following rest requirement:

- **66 or more pitches in a day:** four (4) calendar days of rest
- **51-65 pitches in a day:** three (3) calendar days of rest
- **36-50 pitches in a day:** two (2) calendar days of rest
- **21-35 pitches in a day:** one (1) calendar day of rest
- **1-20 pitches in a day:** zero (0) calendar days of rest

NOTE: Pitchers may complete a batter at each threshold above, including the maximum pitch count.

NOTE: Under no circumstances shall a player pitch in three (3) consecutive days.

MANDATORY PLAY

If a tournament team has 13 or more eligible players in uniform at a game, then every player on a team roster shall bat at least one time. If a tournament team has 12 or fewer eligible players in uniform for a game, then every player on a team roster shall participate in each game for a minimum of six consecutive defensive outs and bat at least one time. There is no exception to this rule unless the game is shortened for any reason.

If a tournament team has 13 or more eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of one at bat. If a tournament team has 12 or fewer eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of six consecutive defensive outs and bat at least one time.

For the purpose of this rule, "six consecutive defensive outs" is defined as: a player enters the field in one of the nine defensive positions when his/her team is on defense and occupies such position while six consecutive outs are made; "bat at least one time" is defined as: a player enters the batter's box with no count and completes that time at bat by being put out or reaching base safely.

Prior to the start of play in the top of the fourth inning, the umpire-in-chief or other individual designated by the game Tournament Director in consultation with the official scorekeeper, shall advise both team managers of their obligation to insert all players who have not completed their mandatory play requirement into the line-up as outlined in the official rule. A manager's failure/refusal to insert players into the line-up as outlined in the official rule shall result in immediate ejection of the manager and removal for the remainder of the International Tournament.

SUBSTITUTIONS/RE-ENTRY

Any player who has been removed for a substitute may re-enter the game in the SAME position in the batting order. A substitute entering the game for the first time may not be removed prior to completion of his/her mandatory play requirement.

SPECIAL PINCH-RUNNER

Twice a game, but not more than one time per inning, a team may utilize a player who is not in the batting order as a special pinch-runner for any offensive player. A player may only be removed for a special pinch-runner one time during a game.

The player for whom the pinch-runner runs is not subject to removal from the lineup. If the pinch-runner remains in the game as a substitute defensive or offensive player, the player may not be used again as a pinch-runner while in the batting order. However, if removed for another substitute, that player or any player not in the line-up, is again eligible to be used as a pinch-runner.

INTENTIONAL WALKS

Since 2017, defensive teams are now able to elect to intentionally walk a batter by announcing the decision to the plate umpire. After appropriate notification is made by the defensive manager, the ball is ruled dead and no other runners may advance unless forced by the batter's award of first base. Once the award is granted, four pitches will be added to the defensive pitcher's official pitch count.

TIE BREAKER FORMAT

Starting in 2019, a new tiebreaker format was established. When the completion of six innings and the score is tied, the following tie-breaker will be played to determine a winning team:

- The seventh inning will be played as normal.
- Starting in the top of the eighth inning, and each half inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on second base.

LITTLE LEAGUE® AND MLB WELCOME PIRATES BACK FOR THIRD MLB LITTLE LEAGUE CLASSIC

The Pittsburgh Pirates will return to Williamsport this summer as they get set to take on the Chicago Cubs in the next iteration of the MLB Little League Classic presented by GEICO at the renovated Historic Bowman Field, the home of the Class-A Williamsport Crosscutters of the NY-Penn League, on Sunday, August 18. The Pirates were a part of the first ever MLB Little League Classic in 2017 when they took on the St. Louis Cardinals in the historic event.

Once again, the participating players, coaches and families of the 2019 Little League Baseball World Series, as well as local Williamsport youth baseball & softball organizations, will fill a significant portion of the capacity at Bowman Field.

As part of the experience, Major Leaguers on the Pirates and Cubs will attend Little League Baseball® World Series games earlier in the day on August 18th, demonstrating their commitment to helping grow the game at the youth level.

T-MOBILE AND LITTLE LEAGUE LAUNCH T-MOBILE LITTLE LEAGUE HOME RUN DERBY

On the heels of T-Mobile becoming the Official Wireless Sponsor of Little League® International, the two organizations have teamed up to launch the first-ever T-Mobile Little League Home Run Derby in 2019. Coming out of the qualifying competitions at the local league level, the top ten performers from each of the East and West Regional standings faced off in the Regional Finals at select Major League Baseball (MLB) parks in July.

From there, the final eight baseball and final eight softball hitters head to Williamsport to compete in the T-Mobile Little League Home Run Derby championship during the LLBWS. To extend its support, T-Mobile also provided baseballs, equipment bags, and ball buckets to all participating leagues. To learn more, visit LittleLeagueHomeRunDerby.com.

LITTLE LEAGUE BASEBALL AND SOFTBALL LAUNCHES NEW PODCAST

This summer, Little League® Baseball and Softball will be launching its brand new "Mandatory Play" Podcast, bringing exciting information, interviews, and updates to Little League fans all around the world. Set to launch its first episode on Friday, June 28, the Mandatory Play Podcast will feature a variety of exciting and entertaining content around the Little League program, including an inside look at new features and recent changes to the organization; in-depth interviews with notable Little League graduates, experienced experts, and big-name celebrities; and answers to questions from the field.

Hosted by Little League International's Chris Downs and Rudy Mezzo, the podcast will be available on LittleLeague.org/Podcast, as well as through iTunes, Google Play, and YouTube, with new episodes being recorded every 1-2 weeks. In addition to the great insight and breakdown of the Little League program, the podcast will feature great interviews with guests such as MLB Outfielder Curtis Granderson, Little League President and CEO Stephen D. Keener, MLB Veteran Umpire Gerry Davis, and more.

LITTLE LEAGUE CELEBRATES #GIRLSWITHGAME

In celebration of National Women's History Month in March, and February's National Girls and Women in Sports Day, Little League® Baseball and Softball launched an on-going campaign to honor all the girls and women who have made the program what it is today. From written stories and feature videos to inspiring quotes and photos across all of its digital media platforms, Little League Baseball and Softball's #GirlsWithGame Campaign celebrates the memorable moments, exciting events, and inspiring individuals throughout the Little League program.

We encourage all Little League fans to join in our celebration by engaging with us on social media by tagging @LittleLeague on Facebook, Twitter, and Instagram and by using #GirlsWithGame to share all your memorable moments. For more information, visit LittleLeague.org/GirlsWithGame.

LLBWS OFFERS AFFORDABLE FAMILY FUN TO FANS FROM AROUND THE WORLD

With no cost of admission to attend, the Little League Baseball World Series is a fun and affordable experience for an all-day family outing. A family of four can attend the Little League Baseball World Series (with no charge for parking or admission), purchase a souvenir program, and each person in the family can have a hot dog, french fries, and a large soda all for about \$30. There are plenty of healthy options for families to choose from as well.

Along with the exciting baseball games held throughout the 10-day tournament each August, there are plenty of other opportunities for fans to enjoy their stay at the Little League Baseball World Series such as fun and entertaining opportunities within the Family Fun Zone, new and exciting merchandise available in one of the three Little League stores, a chance to participate in a long-storied tradition of Little League pin trading, an interactive experience at the World of Little League® Museum, and more.

LITTLE LEAGUE AND MLB LAUNCH JOINT PARTNERSHIP AGREEMENT

In an expanded effort to grow the games of baseball and softball around the world, Little League® International and Major League Baseball announced an expansion to their official partnership with the creation of a Joint Sponsorship Agreement in March 2019. With the new agreement, Major League Baseball and Little League International will collaboratively oversee Little League Baseball and Softball's official sponsor program.

This relationship continues Little League and MLB's combined efforts to find new ways to enhance and expand opportunities for boys and girls around the world to enjoy the benefits of playing baseball and softball. Little League International will continue to work directly with its endemic sponsors and licensees while MLB will grant official sponsorship rights to non-endemic sponsors on behalf of Little League®.

PASS THE CAN DONATIONS TO SUPPORT ALS CURE PROJECT AND FIRST COMMUNITY FOUNDATION PARTNERSHIP OF PENNSYLVANIA

While admission is always free during the Little League Baseball® World Series, Little League International hosts a “Pass the Can” donation collection throughout the stadium for every game during the LLBWS to help raise funds for charitable organizations. This year, those in-game collections will be split between the First Community Foundation Partnership of Pennsylvania (FCFP) to create grants for local youth sports organizations in Lycoming County, and the ALS CURE Project in honor of the late Gretchen Piscotty, a non-profit organization launched by the 2019 George and Barbara Bush Little League Parents of the Year to help find a cure for ALS, also known as Lou Gherig’s Disease.

LOCAL LITTLE LEAGUE PROGRAM WORKS WITH EAST STROUDSBURG UNIVERSITY TO CREATE PLAYING FIELD OPPORTUNITIES

Two years ago, East Stroudsburg University (ESU) approached the Stroudsburg Little League asking them to consider a partnership that would be beneficial to both the University’s baseball and softball teams as well as the local Little League teams. ESU was looking for a better place to play baseball and softball but its campus just didn’t have the room. They pitched the idea of sharing Stroudsburg Little Leagues’ Creekview Park Complex, by making the commitment to lead a fundraising campaign that would enable improvements for all involved.

The unique university-community partnership, believed to be one of the only such projects in the country, was made possible through a \$1.8 million fundraising campaign led by the ESU Foundation. The money was used to create a start-of-art facility that includes artificial turf, bullpen areas, dugouts, seating, hitting cages and protective netting. ESU’s community partnership with Stroudsburg Little League included a personal connection for PJ Van Orman, who grew up playing on the Little League fields at the Creekview Park complex in Stroudsburg. This spring he finished his collegiate baseball career as team captain at the remodeled facility. “It was really nice. It was awesome seeing the transformation from what it was when I played here when I was younger in little league, to what it is now. It’s remarkable, actually,” Van Orman said.

LITTLE LEAGUE GATHERS VOLUNTEERS FOR 2020 REGIONAL ROUNDTABLES

Following the conclusion of the Little League® International Congress in January 2018, the dates and locations for the 2020 Little League Regional Roundtables were officially announced.

Every four years, Little League’s highest-level volunteers, District Administrators (D.A.s) and Assistant District Administrators (A.D.A.s), are invited to attend a two-day Regional Roundtable meeting at various locations throughout each of Little League’s five U.S. Regions. The agenda for each Regional Roundtable, which will include educational sessions as well as rules and regulations discussions, will be assembled from a survey to be completed by D.A.s and A.D.A.s in each region. The Regional Roundtable meetings are conducted by members of the Little League Regional and International Staff.

As in previous years, D.A.s, or the approved alternate, will receive financial support to help offset other travel-related costs. All details regarding attending Regional Roundtables, including reimbursement and registration information, will be announced

at a later date. If unable to attend the Regional Roundtable, the D.A. is asked to designate an alternate from your district staff as your District’s representative by forwarding a request to Patrick Wilson, Senior Vice President of Operations and Program Development, requesting the respective individual be recognized as the designated alternate. As a reminder, attendance at in person trainings, including Regional Roundtable, is a requirement of the D.A. Standards for Exceptional Leadership and Volunteer Service.

A key component to the meeting is to have each of the D.A.s review and discuss suggested rule and regulation changes with their regional peers. This discussion is necessary to gain the knowledge of how the rule or regulation would impact constituent leagues. For more information, including the locations for each roundtable event visit LittleLeague.org/regional-roundtables.

HOWARD J. LAMADE GETS FRESH LOOK IN OFFSEASON

For the first time in nearly a decade, the playing field at the iconic Howard J. Lamade Stadium, home of the Little League Baseball® World Series each August, received a full resurfacing this off-season. The process began almost immediately after the conclusion of the 2018 Little League Baseball World Series to remove the playing surface as Rob Guthrie, Little League® International Turf and Groundskeeper, got to work on safely removing the old grass before completely stripping the field down to its base layer.

From there, Mr. Guthrie and his team leveled out the surface to bring it back to the original field level before placing a new base layer of sand down. After re-grading the surface, the new sod was then placed down and Mr. Guthrie worked on preparing the field so it would be ready to go for another exciting Little League Baseball World Series. Along with the new sod, new irrigation heads were installed to assist with the field's maintenance. In addition to the World Series, the Little League International Complex Stadiums are used throughout the summer for Little League Baseball Camp, as well as other select functions and activities. Named a 2018 Field of Distinction by the Keystone Athletic Field Managers Organization (KAFMO), Lamade Stadium was last renovated in 2009 when a sand-grid drainage system was installed beneath a sand-based layer of sod. In 2017, Little League International renovated the field of Volunteer Stadium which was completely reseeded, rather than sodded.

IMPORTANT NOTE: With the launch of the new website in 2018, some resources may be difficult to find. While we encourage you to check the archived LittleLeague.org website, feel free to send specific questions to wsmedia@littleleague.org and a member of our Communications Staff will do their best to assist.

MEDIA FREQUENTLY ASKED QUESTIONS (FAQS)

DO I NEED A SPECIFIC MEDIA CREDENTIAL FOR EACH DAY OF THE TOURNAMENT?

No. The media credential provided upon arrival will last you the entire tournament.

CAN I PICK UP MEDIA BADGES FOR THE REST OF MY STAFF?

No. Media badges must be picked up by each individual media representative with proper photo identification.

MAY I BRING GUESTS (FRIENDS OR FAMILY) AND RESERVE A SEAT FOR THEM IN THE PRESS AREA?

No. Media credentials will only be issued to approved, working members of the media. **Seating is for working media only.** Access to the Media Center is for credentialed media only.

CAN I GET A TEAM PRACTICE SCHEDULE?

To receive a copy of the practice schedule, you will need to contact a team manager or coach. It is up to the manager and/or coach to disseminate the information to the media. Managers are not required to provide these schedules to members of the media.

CAN I INTERVIEW THE PLAYERS?

Yes. However, an adult (manager, coach, parent of player, or Little League Communications staff member) must be present at all times during the interview. No members of the media are allowed to enter any "Player Only" area, including the Grove and/or practice fields, without consent from the Little League Communications staff.

HOW CAN I CONTACT THE TEAM MANAGER/PLAYER FOR AN INTERVIEW?

In order to put in a request to talk with the team manager, or any players on that team, members of the media must put in a request to the security staff at Gate B of the Dr. Creighton J. Hale International Grove, located at the top of the stairs near the right-field corner of Lamade Stadium. Once the request is submitted to security, it will be passed along to the Team Host and/or Team Host Office to contact the manager. At that point, the manager can either accept the request and contact the media member, or deny the request. **NOTE:** No member of the media is permitted to enter the International Grove for any reason unless escorted by a member of the Little League International Communications Staff.

WHEN DO LINE-UPS BECOME AVAILABLE?

Line-ups are available one hour before each game and can be found in the Media Center on the third-base side, underneath Lamade Stadium.

WHERE CAN I FIND TEAM INFORMATION AND ROSTERS?

Team information, including roster information, is available inside the team insert that was provided to you upon arrival. The team insert provides information about each team in the Little League Baseball World Series, as well as a team photo with outline. Team information can also be found at LittleLeague.org/WorldSeries.

WHEN WILL BOX SCORES BE AVAILABLE?

Printed box scores will be available following the conclusion of each game outside of the Media Interview Room, as well as in the Media Center, located on the third-base side of Lamade Stadium. Digital box scores can also be found at LLBWS.org.

WHEN AND WHERE ARE POST-GAME PRESS CONFERENCES HELD?

Post-game press conferences are held approximately 10 to 15 minutes after each game in the interview room underneath Lamade Stadium under the direction of the Little League Baseball World Series Communications Staff. Please see the "Post-Game Press Conference" section of the Little League Baseball World Series Media Guide, or ask any member of the LLBWS Communications Staff, for further details.

CAN I ASK A PLAYER/COACH TO FILM OR TAKE PHOTOS INSIDE THE INTERNATIONAL GROVE?

No. Filming or photography of any kind is prohibited inside the International Grove during the Little League Baseball World Series.

CAN I TAKE PHOTOS FROM THE PRESS SECTIONS IN LAMADE AND VOLUNTEER STADIUMS?
