

TOURNAMENT INFORMATION

PACKET

Welcome to Bristol

Little League
East Region

From The Director's Desk

Little League Baseball Managers, Coaches, and Parents:

Congratulations! You are on your way to Bristol, Connecticut for several more days of fun, hopefully sun, and vacation plans gone awry. We hope you will look back on the Little League summer of 2021 as extremely special.

We have strived to provide you and your family with as much information as possible so your time in Bristol for the East Region Tournament is enjoyable and memorable. Please ensure that we receive the proper documentation for your child to actively participate in the East Region Tournament. It is critical that the necessary credentials accompany the players upon arrival in Bristol.

Your child will be staying at the A. Bartlett Giamatti Little League Leadership Training Center, the East Region Headquarters for Little League International. All players will eat, sleep, and stay as a team while participating in the East Region Tournament. There is no cost to you or your league for your child's stay at our complex. Be sure your child's manager is aware of any specific needs relating to diet or medication so they can inform our staff prior to arrival and check-in. Your child's safety is of utmost importance. In order to provide a safe and secure environment while your child is participating in the East Region Tournament, only team members and their coaches will be allowed in the dormitories, dining hall, courtyard, and swimming pool. Also, within this package is a list of rules and regulations that we expect all participants to follow. Please take a few minutes before your arrival to review the rules with your child.

This tournament is a modified double-elimination tournament meaning there is no "if" game. The winner of the winner's bracket will play the winner of the elimination bracket once and that winner will be the champion in its respective tournament. Every game will be broadcast by the ESPN family of networks.

For the 2021 Little League Baseball World Series, both the champion and runner-up of the Mid-Atlantic and New England tournaments will advance to Williamsport, PA.

Please note that, in effort to keep our participants and guests as safe as possible, there will be COVID protocols in place that must be strictly adhered to without exception.

If you have any other questions that this packet of information doesn't answer or leaves unclear, or your child has any specific special needs such as dietary, please contact Eileen Holden at eholden@littleleague.org or (860) 585-4730. We hope your Little Leaguers and family will leave the East Region Tournament with cherished memories, win or lose.

Have a safe journey to Bristol!

Incomplete documentation will make for a very long arrival day for all involved coaches, players and parents. Players and/or teams without complete documentation will not be allowed to participate.

Field Decorum & Equipment

All managers, coaches, and players must adhere to directive given by Little League staff and volunteers at the facility to ensure a safe and professional operation of the tournament.

Please ensure that your team arrives prepared to follow all items outlines below:

1. Behavior of players and coaches must be above reproach. They are representing themselves, their leagues, their communities and our program. We will expect nothing less.
2. Each player must have the Little League® patch affixed to his or her uniform, as described in Little League® rulebook. Players without the Little League® patch cannot participate in this tournament.
3. Eye black may be worn. However, it should be worn in a conservative manner. Eye black that is worn in excess will not be acceptable. There is to be no branding on the eye black.

Acceptable

Not acceptable

4. As outlined in the Tournament Rules under 3(e), please be advised that we will consider the stealing of signs from a base runner at second base and peaking at catchers signs as a batter as an unsportsmanlike act potentially resulting in ejection.
5. Foot in the Batter's Box – Please note the new rule under 6.02 (c) and review with your team. For more information on the rule, please use this link from the Rule Changes page <http://www.littleleague.org/learn/rules/rulechanges.htm>
6. It is also necessary for each team to bring its own uniforms and hats. Uniforms and hats will not be provided. All male managers and coaches will be required to wear long khaki pants and a hat. Females must wear long khaki pants or a skirt while participating in games, but a hat isn't required. Shorts, jeans and sweatpants are not allowed. Polo shirts for managers and coaches, provided by the region, must be worn for all games and must be tucked in. A conventional baseball hat must be worn by managers and coaches during games. A visor is not a hat.
7. Each team is responsible for bringing its own equipment, including bats (which MUST meet USABat standard), practice baseballs, catcher's equipment, batting helmets, etc. All equipment must be in good repair and in accordance with Little League® Rules and Regulations. Little League® officials, upon arrival and prior to the each game, will inspect equipment, and illegal or unsafe equipment will be banned from use during the tournament. Dangling throat protectors are required to be worn by catchers.

Accommodations

Players, managers and coaches will be housed at the Giamatti Center. Female participants will receive separate accommodations. East Region office will book these accommodation and provide the information prior to the start of the tournament.

Each air-conditioned dormitory at the Giamatti Center houses up to 14 players, the manager and 2 coaches. The adults will be housed in a room adjoining the player's room.

It will be the responsibility of the manager and coaches to reside at the Giamatti Center with their respective teams. Managers and coaches must stay with and supervise their teams at all times.

All games will be televised on the ESPN family of networks.

The champion and runner-up of the New England and Mid-Atlantic Regions are tentatively scheduled to depart for the 2021 Little League® Baseball World Series in Williamsport, Pennsylvania via chartered bus provided by Little League® International on Sunday morning, August 15, 2021.

Only players, coaches, and the manager will be allowed on the bus.

Safety and Security

Players, managers and coaches will be issued badges.

Badges must be worn for entry into the restricted area enclosed by the property fence, which includes the Dining Hall, Dormitories, and Pool Building.

Players must wear their team hats and masks into the Dining Hall in order to eat.

Masks will be required to be worn by managers, coaches, and players in certain areas as designated by East Region staff.

Shoes must be worn outside of the dormitory at all times.

The security of the players is extremely important. Managers, coaches, and players are the only individuals that will be permitted within the fenced in complex, NO EXCEPTIONS! Complete cooperation is necessary and expected.

Part of the East Region's responsibility is to prepare teams for the Little League® World Series, where security is extremely tight.

All teams must be prepared for the World Series, regardless of advancement.

Sharing of badges is strictly forbidden. Any misuse of badges will have serious consequences, to be determined by the Region Director and the Little League® Tournament Committee.

Tournament Format

This tournament will be conducted in a modified double-elimination format. In a modified format, there is no "if game."

Team pairings were finalized by a random draw at the East Region Headquarters.

Corey Wright and Kiley Johnson will answer any questions concerning the modified double elimination format in a meeting with all managers.

Little League® personnel will meet individually with team managers to review all tournament affidavits, maps, waivers, residency documents, etc., in the Administration Building, if needed.

The International Tournament Committee in Williamsport, Pennsylvania will be the sole authority to determine a champion if any major unforeseen or unusual problems occur.

Coin flips will occur to determine home and away designations for all tournament games. The Region Director will provide the schedule for flips and may occur in-person at the facility or over Zoom depending on game timing. For all coin flips, the opponent that traveled the furthest distance to Bristol will call heads or tails. Additionally, managers have the option of deferring the home/away selection to the opposing manager.

Manager And Coach Reminders

A Managers Meeting via Zoom is tentatively scheduled for Wednesday, August 4th at 7:00 PM. The Region Director will provide additional information for managers to participate on the call. Each team is required to have representation present.

All required documentation is needed upon arrival. Please see page "Official Documentation Needed" for details.

At least one member of the coaching staff must be with the team at all times. Manager and coaches must sleep, eat and travel with teams. No departures from the Giamatti Center without informing region staff and receiving approval.

Only the manager and coaches listed on the affidavit are allowed on the field or in the dugout. This includes practices, batting practice, pre-game warm-ups and games.

Little League® officials, prior to each game, will check equipment. Only Little League® approved equipment will be used, including helmets with NOCSAE seal and warning labels. Bats must meet USABat standard. Catchers must wear a mask with approved catchers helmet (skull cap-type not acceptable) and throat protector during practice, infield, pitcher warm-up and games. Catchers must wear approved long or short model chest protectors.

In the event of inclement weather, every effort will be made to play all of the games. If there is persistent rain during the tournament, the International Tournament Committee could drop the loser's bracket to help determine a winner.

Coin flips will be done for each game on day 1 following the ground rules meeting under the supervision of the Region Director. Additional coin flips will be done as the games progress.

The Official Scorekeeper and Game Coordinator will ensure smooth operation of games, with assistance from region staff as necessary.

The home team will be in the first base dugout. Each team will have 10 minutes of infield practice prior to each game. The visiting team will begin infield practice 30 minutes prior to the game. The home team will begin infield practice 20 minutes prior to the game. Introductions begin 10 minutes prior to game time. Games will start promptly as outlined on the schedule.

There is no on-deck area in this division of Little League® and this rule is strictly enforced. Coaches and managers are strictly forbidden to warm up pitchers during practice, prior to the game, between innings and in the bullpen.. Catchers must wear a face mask during all practices, infield warm-ups, and in the bullpen areas. Catchers must also wear the dangling throat guard.

Managers, coaches and leagues will be held financially responsible for damage done to any Little League® property by their respective teams. Kids will be kids, and accidents do occur, but willful and wanton destruction of this facility will be dealt with accordingly.

Managers and coaches have a dress code for games. Long khaki pants or skirts are required. Polo shirts will be provided; they must be tucked in and worn to all games. SHORTS, JEANS OR SWEATPANTS ARE NOT ALLOWED. Male coaches must also wear a team hat on the field.

A Note On Mandatory Play

If a tournament team has thirteen (13) or more eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of one (1) at bat. If a tournament team has twelve (12) or fewer eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of six (6) consecutive defensive outs and bat at least one (1) time.

Prior to the start of play in the top of the fourth inning, the umpire-in-chief or other individual designated by the game Tournament Director in consultation with the official scorekeeper, shall advise both team managers of their obligation to insert all players who have not completed their mandatory play requirement into the line-up as outlined below. A manager's failure/refusal to insert players into the line-up as outlined below shall result in immediate ejection of the manager and removal for the remainder of the International Tournament.

If a team has 12 or fewer players in uniform at the start of a game, and is:

Visiting Team: Any player(s) who has yet to enter the game to meet the defensive requirement of mandatory play must be inserted prior to the first pitch or play in the bottom half of the fourth inning into a position in the line-up that will ensure all requirements of mandatory play will be satisfied, absent a shortened game, including one at-bat.

Home Team: Any player(s) who has yet to enter the game to meet the defensive requirement of mandatory play must be inserted prior to the first pitch or play in the top half of the fifth inning into a position in the line-up that will ensure all requirements of mandatory play will be satisfied, absent a shortened game, including one at-bat.

If a team has 13 or more players in uniform at the start of a game, players must be inserted into the line-up to bat offensively during the

Visiting Team: fourth or fifth inning, or as one of the first three batters in the sixth inning, that will allow their one at-bat to be satisfied.

Home Team: fourth inning or as one of the first three batters in the fifth inning, that will allow their one at-bat to be satisfied.

Managers are solely responsible for ensuring that all players fulfill the requirements of mandatory play, even if notification is not made.

A Note On Mandatory Play (Cont.)

There is no exception to this rule unless the game is shortened for any reason. NOTE: A game is not considered shortened if the home team does not complete the offensive half of the sixth inning (or any extra inning) due to winning the game.

Failure to meet the mandatory play requirements in this rule is a basis for protest. If one or more players on a roster do not meet this requirement, and if protested or brought to the Tournament Committee's attention, it shall result (by action of the Tournament Committee) in the removal of the team's manager, without replacement, for the remainder of the International Tournament. Additional penalties (including but not limited to forfeiture of a game, additional mandatory play requirements for players who failed to meet mandatory play, and/or disqualification of the team or coaches from further tournament participation) may be imposed if, in the opinion of the Tournament Committee:

- 1. a manager or coach takes any action that results in making a travesty of the game, causing players to intentionally perform poorly for the purpose of extending or shortening a game, or;**
- 2. a team fails to meet the requirements of this rule more than once during the International Tournament, which begins with District play and ends at the World Series level, or;**
- 3. a manager willfully and knowingly disregards the requirements of this rule.**

A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game(s), nor have any communications whatsoever with any persons at the game site. This includes pregame and postgame activities. Violation may result, by action of the Tournament Committee, in further suspension; forfeiture of a game; and/or disqualification of the team, managers, or coaches from further tournament participation.

For the purpose of this rule, "six (6) consecutive defensive outs" is defined as: A player enters the field in one of the nine defensive positions when his/her team is on defense and occupies such position while six consecutive outs are made; "bat at least one (1) time" is defined as: A player enters the batter's box with no count and completes that time at bat by being retired, retired as a batter-runner or runner, scores, or the inning or game ends.

ACTIVITY SCHEDULE

RECREATION AREA CLOSED

POOL CLOSED

Giamatti Center Team Rules

- Badge must be worn at all times, including when going to games. Badges will be hung up during games, practice and while in the dormitories.
- The black fence surrounding the dormitories creates a secure perimeter and any breach of the fence is a serious security matter. Do not prop open any of the black gates or let in unauthorized people.
- While anyone may exit through any black gate, entrance into the Courtyard Area may only be gained through the Administration Building or Recreation Building gate.
- Most everything should be done as a team or groups. This includes meals (whole team), watching other games, etc. At no time should a player be alone outside of the secure Courtyard Area.
- Meals must be eaten as a team in the Dining Hall. Our chef and team spend long, hot hours preparing just the right amount of food. Special permission to eat off-site may be granted by region staff, but advance notice (**3 hours**) is required to consider any such request. If a team is going to decline a meal they must notify a team coordinator the **day** before. *Teams shall report to the dining hall during meal times indicated on the schedule. In the event that a game runs long, the dining hall will remain open to allow the teams playing in the game to eat.*
- **Allergy and special diet information** must be emailed to eholden@littleleague.org **PRIOR** to arrival so the East Region Chef can make necessary accommodations.
- Any departure from the Giamatti Center must be approved by region staff. Single-player departures are not permitted. Region staff promotes a team spirit.
- The players are the responsibility of the manager and coaches while occupying the Giamatti Center. Those who cause damage to the complex will be held responsible.

Team Rules (Continued)

- No running. Use sidewalks. The maintenance team works hard to keep the Giamatti Center pristine.
- No horseplay in the dormitory or bathrooms. Players have been injured in the past and missed important games.
- **Photos taken inside the Dormitory, Pool, or Dining Hall may not be posted on social media (Snapchat, Instagram, Facebook and Twitter included) during the tournament.**
- **Posting inappropriate content on social media can have severe consequences, up to and including removal from the tournament.**
- Do not affix anything to the walls or bunks, including with tacks or tape.
- Footwear is required outside the Dormitories, but footwear must be removed before entering the Dormitories to keep them as clean as possible.
- The rear exit in each Dormitory is for emergency-use only.
- Lights go out at 11 p.m. Some teams may have early games — be respectful!
- **Repeated violation of these rules and direction of staff may result in the offending team needing to find alternative housing, at a tremendous expense.**
