PROPOSED RULE AND REGULATION CHANGE #1 – REGULATION I (A) (3), REGULATION III (C), AND REGULATION IV (A)

- Proposed Change: Permit leagues to operate a 3- to 4-year-old Tee Ball Program
- Proposed Wording Change
 - Regulation I (a) (3) – The League
 - (a) (3) The Tee Ball division is an extension of the local league to accommodate participants league ages 3-7 and may utilize the batting tee or the pitched ball (by a coach). The league may opt to deliver a designated number of pitches to all batters and then utilize a tee if necessary.
 - Regulation III (3) (c) – The Teams
 - (3) (c) **Tee Ball:** Local league must establish the age structure for the Tee Ball Division. Players league age 3 and 4 are eligible ONLY for Tee Ball, unless otherwise approved by the Charter Committee. **Players league age 3 are only eligible to participate if the league structures a Tee Ball Division for players league age 3 and 4.**
EXCEPTION: Participants league age 5 and 6 are permitted to advance to Minor League Coach Pitch or Machine Pitch after participation in Tee Ball for one year. Participants league age 6 are permitted to advance to Minor League Player Pitch Division after participation in Tee Ball for one year, provided the maximum age limit in the division is league age ten (10). Players must be assessed by the league as capable of participation at that level. A player listed on a Tee Ball Roster shall not be permitted to play with a Minor League team.
 - Regulation IV (a) – The Players
 - **Tee Ball Division:** Any candidate with amateur status who will attain the age of 3 before September 1, 2022, and who will not attain the age of 8 on or before August 31, 2022 shall be eligible to compete in the Tee Ball Baseball Division (subject to the local league Board of Directors alignment of this division). This means that a participant who will be 8 years old on September 1 or later is eligible to play that year; a participant who will be 8 years old on August 31 or earlier will not be eligible at any time during the calendar year in question.

Synopsis: This allows local leagues the ability to offer a program for players as young as 3 without requiring a waiver from the Charter Committee. This change will also allow local leagues a chance to utilize alternate methods of play to support a more innovative way to operate this division to better serve younger players.
