

2024 **TOPPS** SERIES ONE

Dear Coach,

We are excited to share the hobby of collecting with your Little Leaguers®!

Each team will receive at least one box of Topps Series One which contain individual packs of Topps Series One baseball cards. Please distribute the packs so that each player on your team receives one pack of cards.

Topps encourages coaches and Little League families to share photos of their favorite cards on social media. Tag @topps with the hashtag #ToppsLittleLeague.

Little Leaguers can build their card collection by heading to their local hobby shop – stores can be found at topps.com/stores.

Good luck this season!

Topps
