## SAFETY TIPS AND OTHER MISCELLANEOUS ITEMS

### Safety Tips

While the city of Indianapolis takes pride in being safe for conference attendees, it is still a city, and we recommend the following when leaving the hotel:

- Travel in groups, especially after dark
- If traveling alone, it is best to use a taxi or rideshare to get where you need to go
- Do not wear your name badge outside the hotel
  - Place it in your pocket
  - Leave it in your hotel room
- Carry appropriate identification and any applicable travel documentation

### Downtown Indianapolis Skywalk System ([LEARN MORE](#))

The JW Marriott Indianapolis is part of the city's downtown interconnected skywalk system which allows for easy access to downtown dining and entertainment options. The skywalks are climate-controlled and ensure a comfortable experience regardless of the weather outside. Look for signs marking the entrances to the skywalks in hotels and venues. Typically, the skywalks are open from 6 a.m. to 11 p.m., but these times are subject to change.

## Weather Forecast

The Indianapolis forecast is predicted to be very cold during Congress with highs in the 20s and lows in the teens. Light snow showers are predicted for Wednesday, February 4, but as of now, the rest of the week is clear of snow. While we will spend most of our time indoors, please pack and plan accordingly for when you will need to be outdoors.
