To make accessing the complex more streamlined, credential pickup for members of the media will now be handled offsite at AAA North Penn (1 E 6th Ave, South Williamsport, PA 17702). Starting on Thursday, August 13, members of the media who receive an approval letter can stop at the Credential Office at AAA North Penn to pick up their credentials any time between 8 a.m. and 6 p.m.

Upon check-in, you must have received your credential approval email and will be required to show a photo ID.

**NOTE:** If you are unable to pick your credentials up during the 8 a.m. to 6 p.m. window noted above, please email [WSMedia@LittleLeague.org](mailto:WSMedia@LittleLeague.org) as soon as possible so we can work with you to try and coordinate an appropriate pickup time.

## CREDENTIALS

Media credentials are not transferable and cannot be issued to anyone under the age of 18 or to anyone who has not consented to a criminal background check. Anyone wishing to pick up their media credential **MUST** have a photo ID (i.e. press cards or government-issued ID) in order to receive their credential. All media credentials are coded to indicate the type of coverage providing and the outlet you are representing. Photo credentials are also printed with specific access levels.

All credentialed media will have access to the Media Workspace, Press Conference room, and hospitality room, when available.

Stadium access is strictly limited to working media only. Active television cameras or video recording of any kind is not permitted in the stadium or photo wells at any time. Access levels for all still photographers can be found in the Photographers section of this media guide. Seating in the press sections in both stadiums is for working media only and is largely on a first-come, first-serve basis, unless indicated on your credential. No reports, photos, or video should give the reader or viewer the impression that the media outlet is affiliated with Little League International in any way.

## COMPLEX ARRIVAL/PARKING

Once your credential is picked up, you may head to the LLBWS Complex (Entrance at 617 East Mountain Avenue, South Williamsport, PA 17702). The parking area for the media covering the World Series is located on the Little League International Complex, outside of Volunteer Stadium and the Flagship Store, which can be accessed from East Mountain Ave.

A Digital Parking Ticket is required to access these parking lots each day, and instructions will be provided via email closer to the start of the tournament. **NOTE:** Parking is very limited, so an early arrival is suggested, particularly for night games and games later in the tournament. Overflow media parking may be required in public parking areas.

After you arrive on site, you will be required to go through security screening areas to access the complex, which may include a search of your bags and/or equipment. Once on the complex, members of the media are encouraged to familiarize yourself with the surroundings. Feel free to stop by the Media Center where our Media Relations Staff may help with anything you may need.

## SATELLITE TRUCK/PAK PARKING

Members of the media that have requested, and have been approved, for satellite truck parking with a vehicle that has a fixed satellite, are permitted to park in the designated lot near the loading dock of the Little League International Administrative Building off Route 15.

Television stations utilizing satellite backpacks, or portable satellite broadcast equipment, are permitted to park in the designated lot in the area above the ESPN Compound only during the time of their broadcast.

This space is a first-come, first-serve area and should only be used for portable satellite stand-up hits. Media members must return to the general media parking if they are not actively broadcasting a segment.

All video recording must adhere to the guidelines set within this media guide, and is limited to credentialed television outlets only. **Live streaming of game footage in any way is prohibited.**

PHOTOGRAPHERS

There are four levels of credential types for photographers. **NOTE:** Photographers of any kind **may not** use Tablets/Mobile Devices as primary means of photography.

“Photo Special” (Red Lanyard)

For still photographers working on a feature assignment that has been submitted to, and approved by, the Little League International Communications Department prior to the start of the LLBWS. Hale International Grove, expanded on-field access, etc. A member of the Little League International Staff must be with the photographer(s) during their shoots in those areas, or the photographer(s) must have written permission from Little League to enter locations with restricted access.

“Photo Special” credentials will also grant regular access to: Stadium photo wells, 1B/3B photo wells, stadium seating area, stadium roofs (remotes only, must be off the roof 15 minutes prior to the scheduled game start and cannot access the roof until after the conclusion of the game; waiver must be signed), and all public areas at the Little League International Complex.

Photo 1 (Blue Lanyard)

Communications Department.

Regular access granted for: Stadium photo wells, 1B/3B photo wells, stadium seating area, stadium roofs (remotes only, must be off the roof 15 minutes prior to the scheduled game start and cannot access the roof until after the conclusion of the game; waiver must be signed), and all public areas at the Little League International Complex.

Photo 2 (Green Lanyard)

Photographers are asked to move between the photo wells. Access to the wells in Lamade Stadium can be accessed through the stadium, but photographers with Photo 2 credentials may not shoot within the stadium seating areas.

Multimedia (Green Lanyard)

For single-person, multimedia outlets working on daily coverage, both written and digital/photographic/videographic, of the LLBWS.

Regular access granted for: Stadium photo wells (Photos Only), 1B/3B photo wells (Photos Only), and all public areas at the Little League International Complex. Photographers are asked to move between the photo wells. Access to the wells in Lamade Stadium can be accessed through the stadium, but photographers with Multimedia credentials may not shoot within the stadium.

PHOTOGRAPHER LANYARDS

In addition to being indicated on your media credential badge, photographers will be given a color-coded lanyard to correspond with the credential to designate access areas. Photographers must use the lanyard assigned to them. The lanyards are not replaceable and are not transferable. Photographers not wearing their designated lanyard will be considered to have the same access as a fan, and may be removed from restricted access areas at the discretion of the Little League International Communications Staff.

PHOTOGRAPHER ACCESS AREAS

Photo Wells and 1B/3B Wells

Still Photographers with a “Photo Special,” Photo 1, Photo 2, or Multimedia credential are permitted to be in the stadium photo wells and the 1B/3B wells up to two hours before the announced game time and 30 minutes after the conclusion of the game. At no time may a media outlet have more than one person in the same Lamade Stadium photo well without written permission from Little League International’s Communications Department. **Photographer equipment may not be stored in the photo wells at any time.** Photographers are asked to move between the wells during a game. Access to the Lamade Stadium wells is available at the gate behind home plate under the Concourse Video Board. Access to the Volunteer Stadium wells is available at the lower entrance below the bleachers along the left-field line. Access to the 1B/3B Photo Wells in Lamade Stadium can be accessed from inside the stadium seating area.

Stadium Seating Area

Photographers with a “Photo Special” or Photo 1 credential are the only photographers permitted to take photos in the stadium seating area. These credentials allow for photographers to spend one half inning, twice a game, in the stadium seating area to take photos. The half innings cannot be sequential. Photographers will be allowed to be in a static position for no more than 30 seconds before stadium ushers or a Little League International staff member asks them to move. A photographer may be asked to move at any time if he/she is obstructing the view of seated spectators. Aisles

must remain clear of equipment for safety purposes. Photographers will not be allowed to be stationed in the tunnels.

Stadium Roof Access

Photographers with a “Photo Special” or Photo 1 credential are the only photographers allowed to take photos from the roof of the stadiums, at their own risk, using remote cameras only.

Credentialed photographers must be off the roof 15 minutes prior to the scheduled game start time and cannot access the roof until after the conclusion of the game. A waiver must be signed with the Little League Media Staff and access may be limited/unavailable at the discretion of Little League International.

Field Access

Photographers with a “Photo Special,” Photo 1, Photo 2, or Multimedia credential may be permitted on the field in the area directly behind home plate for ceremonial pregame activities and at the conclusion of championship games with permission of the on-field game director and/or a Little League International Communications staff member. At no time are photographers permitted to be on the field during pregame warm-ups. Photos of warm-ups may be taken from the photo wells. Photographers are prohibited from being on the grass at all times unless directed to do so by a Little League International Communications staff member. Access may be limited/unavailable at the discretion of Little League International.

Dugouts

No cameras of any kind are permitted in the dugouts at any time. At no time during games will photographers be permitted to open the dugout door and shoot into the dugout. **Following games, photographers are not permitted to shoot into the dugout of the losing team.**

Photographer Video

Individuals with Photo credentials are not allowed to take any video without approval from the Little League Communications Department. **No video of any type can be taken from inside the stadium seating areas or from inside the Stadium or 1B/3B Photo Wells.**

WORLD SERIES PHOTOGRAPHS

Solicitations/sales of World Series photographs of any kind by photographers or their agents on or off Little League property is prohibited, unless approved in writing by Little League International and for editorial purposes only. At no time are credentialed photographers or their agents permitted to offer, provide, or present any “courtesy” photos of World Series game action or related World Series events. Such actions are grounds for revocation of media credentials.

POOL PHOTO REQUESTS

Images of game action and special events are available upon request, courtesy of Little League Baseball and Softball. Requests for pool photos should be emailed to **WSMedia@LittleLeague.org** and are typically handled within 24 hours of request. **NOTE:** Individual requests must be made for each event/game and cannot be made for the entirety of the tournament.

SOCIAL MEDIA USAGE AND CONTENT CREATORS (E.G. INFLUENCERS)

Select individuals who are granted a “Content Creator” media credential (yellow lanyard) will be permitted to cover the event from all public areas of the Little League International Complex based on adherence to the guidelines set forth in this media guide, but will not be permitted to access the stadium seating and/or photo wells

within the stadiums themselves.

All individuals who are granted media credentials are welcome to cover the event on their affiliated digital and social media platforms, however, no live reports outside of what are outlined in the TV/Video Guidelines below are permitted. Static images (no videos) of games or other Tournament activities may be posted on social media by members of the credentialed media, but may not display areas that are restricted only to players and participants. At no time may the media ask a participant for photos and/or videos from areas where only players/participants are permitted.

Members of the media, including content creators, are not permitted to solicit on the tournament grounds at any time, promote a corporate brand without explicit written approval by Little League International (Marketing@LittleLeague.org), or provide sponsored products while on the tournament grounds.

RADIO

Reporters from radio stations and networks are welcome to attend the LLBWS. Those outlets looking to provide live coverage of the games must fill out an agreement with Little League International prior to coverage of their first game, which includes a per-game radio rights fee. If interested in providing this coverage, please email **WSMedia@LittleLeague.org** to receive that agreement or stop by the Media Center on site. Those radio outlets with an agreement will be provided with up to three assigned seats in Press Row for the games they are in agreement for covering.

Radio reporters who are not providing live broadcast coverage of the games may cover the games through five or fewer reports, each of one minute or less in duration, per game. The reports must not contain descriptions of action currently taking place. Assigned seating in the stadiums is not granted for those not providing live coverage, and is available only a first-come, first-served basis.

VIDEO/TELEVISION

Television crews that are providing editorial coverage of the event are permitted to attend and cover the LLBWS. Little League and ESPN/ABC have the right to restrict or prohibit ANY camera crew (including ABC affiliates) from operating at any game-related activity.

Below are the policies regarding capturing and airing of B-Roll, as well as live reports.

B-Roll

On-site television crews may obtain B-Roll footage, subject to Little League approval, and adherence to the following guidelines:

- Is limited to five (5) minutes per game. When the five (5) minutes are completed, the camera must be turned off and moved to another location at least 50 feet away;
- May not be televised until after the game is completed. After the conclusion of ESPN or ABC’s live coverage of each game, you may, for news purposes only, televise excerpts of the event, to a maximum of two (2) minutes of 2026 LLBWS highlights per day, in the aggregate. Such uses are limited to regularly-scheduled, bona fide news programs distributed within the first 48 hours after the conclusion of each telecast solely as part of (i) a linear television network or station distributed via over-the-air terrestrial broadcast, cable television, and/or direct broadcast satellite and (ii) within the simulcast of the applicable programming as part of that television network or station distributed, on an authenticated basis, via any audio/video means or medium now known or hereafter devised. Other than as part of such live simulcasts, any use of excerpts during the news-access window on the Internet or other online service, wireless device/service or interactive multimedia distribution transmission, is strictly prohibited. Excerpts may only include highlight footage of the

games, not interviews, features or audio material (including voices of on-air talent), and must be recorded off-air. ESPN and ABC's graphics, network logo, or scoreboard included in the off-air highlights may not be blocked or covered. You must provide appropriate audio and video courtesy credit to ESPN or ABC, as applicable, on any program so using event highlights;

- The reporter must be in the shot at all times
- The report must be one (1) minute or less
- There may be no more than four (4) live reports per game
- Camera lights CANNOT be used where they may be visible by players on the field (this applies during day and night games)

**NOTE:** Video footage may not be used for promotional or commercial purposes.

#### DRONE USAGE

Please note that the use of drones on the complex is strictly forbidden unless provided with written consent from the Little League International. Requests must be sent in writing at least one month in advance to [WSMedia@LittleLeague.org](mailto:WSMedia@LittleLeague.org). Unauthorized operation of a drone on the complex may result in permanent removal from the grounds and future denial of media credentials.

#### DR. CREIGHTON J. HALE INTERNATIONAL GROVE

The International Grove is closed to the general public and access by media is **restricted**. Media access to the team housing complex, playground, backyard, or dining/recreation facility cannot be granted by any player, coaches, team hosts, or security personnel under any circumstances. Members of the media are **not permitted** to request that coaches, players, or any other individual associated with the teams, provide photos or video of any kind from inside the International Grove.

#### TEAM INFORMATION

Little League personnel will guide each team, in uniform, through a pre-World Series information gathering process that includes team and individual photographs of every player and coach, height measurements of every player, and basic information on every player (proper spelling of name, uniform number, defensive position(s), and bat/throw information). Due to the tight pre-World Series schedule for participants, this process is closed to all media. However, the photographs and information gathered will be provided to the media prior to the start of the World Series.

#### PLAYER INTERVIEW REQUESTS

Members of the media wishing to conduct interviews with players must first obtain the consent of the team manager or coach, who must be present throughout the interview. No interviews with players or coaches are permitted outside of the Media Interview Room following a Press Conference, and are not permitted until one hour after the end of the game in which a player participates.

In addition to submitting to [WSMedia@LittleLeague.org](mailto:WSMedia@LittleLeague.org), requests for interviews may be submitted to security personnel at International Grove Gate B between 10 a.m. and 9 p.m., or one hour after the conclusion of the last game of the day. All requests will be forwarded to the Team Hosts, who will communicate with the coach or manager of the player, if available. If the player and manager/coach agree to the interview, they will coordinate with the media directly or through a Little League staff member and/or Team Host. **Media personnel may not request interviews during practices**, however, interviews may be conducted before or after a practice with approval by the manager/coach. Any coach, manager, player, or umpire may decline any interview at any time and members of the media are reminded they are all volunteers.

#### TEAM PRACTICES

Team practice schedules will be distributed only to team coaches and managers who may, or may not, wish to share those schedules with the media. These practices are generally open to the public, but all observers (including the media and photographers) must obey the wishes of the manager of the team practicing and remain outside the fenced areas of the practice areas at all times.

**Media personnel may not request interviews during practices, but may ask before or after activities.**

#### LINEUPS

Lineup cards will be available approximately one hour before the start of each game at both the Media Center and Media Workspace and may always be accessed through GameChanger and [LittleLeague.org/WorldSeries](http://LittleLeague.org/WorldSeries). **NOTE:** Lineups are subject to change at any time up to the exchange of the lineups just before the start of the game. For the best way to follow any lineup changes made throughout the tournament, please utilize the game scoring provided through GameChanger.

#### POSTGAME PRESS CONFERENCE

Approximately 20 minutes after each game, credentialed members of the media are invited to a postgame media briefing held in the Media Center Interview Room of Lamade Stadium. The Little League International Communications staff will escort the manager/coach from the losing team into the Interview Room first, followed by the manager/coach and select players of the winning team. **NOTE:** The manager/coach can opt out of the postgame press conference. Videos of all press conferences will be made available at [LittleLeague.org/Videos](http://LittleLeague.org/Videos). Players from the losing team **WILL NOT** be included in this briefing. They may be interviewed separately, but only one hour after the game with a request submitted to the security staff at Grove Gate B that is approved by the team manager/coach. No interviews will be permitted outside of the Media Interview Room at any time.

#### DAILY DIGEST EMAIL

Every day during the 2026 LLBWS, Little League staff will email a "Daily Digest" report with important information, notes, schedule of events, special guests, and more to all credentialed media members. To add a member of the media who is not covering the event on site, please email [WSMedia@LittleLeague.org](mailto:WSMedia@LittleLeague.org).

#### FREQUENCY COORDINATION

The SBE, in cooperation with the Federal Communications Commission (FCC), has designated the Williamsport Area as a branch of the SBE Chapter 2 Northeast Pennsylvania to coordinate Remote Pickup Frequencies for both radio and television facilities. Part 74 of the FCC Rules stipulates that any itinerant use of RPU frequencies must be coordinated. If you plan any RPU use on any frequency with any power, including wireless microphone use (wireless microphones above 698 MHz may not be utilized), please call 570-323-5360, 8:30 a.m. to 5:30 p.m. (M-F), for assistance.

#### GAME STATISTICS

Little League will provide box scores after each game, with copies available online at [LittleLeague.org/WorldSeries](http://LittleLeague.org/WorldSeries) and in the Media Workspace. In addition, Little League is again partnering with GameChanger for live lineups and statistics of each game. Details on using GameChanger are available at the Media Center and online at [LittleLeague.org/WSMedia](http://LittleLeague.org/WSMedia).

#### MEALS

Little League provides meal options, as well as a cooler of beverages in the Media Workspace, at no charge for credentialed, working media only. Each member of the media is welcome to pick up a meal voucher at the Media Center for each day of the LLBWS for lunch, and a catered meal will be available between certain time periods each evening in the Media Workspace. Only working, credentialed media are permitted in this room. Guests and non-credentialed media are not permitted in the Media Hospitality Room. **Food may not be taken from these rooms.** The schedule for evening meals will be available in the Daily Digest. We ask you to please be considerate and clean up after yourself. Meal vouchers will not be replaced after they are initially provided.

#### WORLD OF LITTLE LEAGUE® MUSEUM AND OFFICIAL STORE

Your media credential also allows you free admittance to the World of Little League® Museum and Official Store, located at the top of the Little League International Complex along Route 15.

#### DISTRIBUTION OF PROMOTIONAL ITEMS OR OTHER LITERATURE

It is Little League International's policy that no organization, group, company, media entity, etc., be permitted to sell or distribute leaflets, placards, posters, promotional material, or any other items at the Little League International Complex without written permission from Little League International. Media outlets are also prohibited from distributing promotional or co-branded materials

for other businesses, organizations, or entities. Media outlets looking to create "commemorative" newspapers, magazines, or other publications celebrating the LLBWS must receive written approval from Little League International by emailing [Marketing@LittleLeague.org](mailto:Marketing@LittleLeague.org).

#### VIOLATION OF GUIDELINES

Any organization or person in violation of these guidelines (or others subsequently published by Little League Baseball, Incorporated), whether or not such violations occur on Little League property, will be subject to revocation of World Series credentials and may result in being permanently removed from the complex, as well as any additional fines deemed appropriate.

#### TRADEMARK PROTECTION

Little League Baseball® is a Federal Incorporation granted by way of a bill signed into law by President Lyndon B. Johnson on July 17, 1964, and amended Sept. 24, 1974, to reflect the admission of girls. The legislation, which received unanimous approval in both the U.S. Senate and the House of Representatives, is Public Law 88-378. It is the highest recognition that the federal government can accord. It provides for incorporation of Little League Baseball in all 50 states as an educational institution, endowing the program with protective integrity by the U.S. Government.

Action of the President and Congress places Little League in the same category as the Red Cross, Boy Scouts, Boys Clubs of America and a select group of others similarly chartered. However, Little League is the only youth sports organization so honored. The Federal Charter of Incorporation requires Little League to submit its annual report directly to the U.S. Congress each year.

The following are registered trademarks and service marks of Little League Baseball, Incorporated. These marks are protected both by a special Act of Congress and registrations with the United States Patent and Trademark Office. All rights in and to any and all marks of Little League Baseball, Incorporated, are reserved. The use of the Little League Trademarks by any person, organization, or business entity in an unauthorized fashion is strictly prohibited, as it is classified and defined as a misuse of Little League's trademark rights.

- Little League®; Little League Baseball®; Little League Softball®;
- Little Leaguer®; Little League® Baseball and Softball
- Little League Challenger Division®; Girls with Game®; Summer of Softball™;
- LL®; LLB®; Dugout the Mascot™ and image; LLWS™

**NOTE:** Little League Baseball is listed in the Associated Press Stylebook and Libel Manual. The words "Little League," "Little Leaguer," etc. should only be used in conjunction with youth baseball and softball programs chartered with Little League Baseball, Incorporated.

Please note that any unauthorized use of Little League marks is considered an infringement violation and is subject to legal arbitration. Little League has the authority to seek injunctive relief to remedy such situations if misuse actions continue to become a state of punitive and/or detrimental consequences.

#### SAFETY AND SECURITY PROTOCOLS

Any additional safety, security, and/or mitigation protocols, will be communicated directly to those members of the media on site throughout the course of the event.

**NOTE:** Credentialed media are permitted on the complex until two hours after the last out of the last game of the day.

## MLB LITTLE LEAGUE CLASSIC

### MLB CREDENTIALS

Members of the media who are credentialed for the LLBWS **are not** automatically qualified for credentials for the MLB Little League Classic at Bowman Field on August 23, 2026. Any member of the media looking for credentialed access must submit separate credential requests for each respective event (LLBWS and MLB Little League Classic).

### MLB MEDIA INFORMATION

Specific information regarding the 2026 MLB Little League Classic and media involvement at the Little League International Complex will be provided to the media closer to the event. Information regarding the regular-season event at Bowman Field should be directed to the Major League Baseball Communications Team.

## THE INTERNATIONAL TOURNAMENT

Each Little League® season concludes with International Tournament play for Little Leaguers® in seven divisions. The tournament trail begins in early June and leads to seven World Series tournaments in July and August.

The oldest, and best-known, championship tournament is the Little League Baseball® World Series. The other six World Series tournaments are held at sites across the United States prior to the Little League Baseball World Series. It is the culmination of many weeks of local league play and provides participants with the opportunity to travel, make new friends, and engage in friendly competition.

### TOURNAMENT STRUCTURE

Double-elimination is played at most levels of the Little League International Tournament, which includes a full tournament structure in seven divisions of baseball and softball.

The tournament is under the direction and authority of the Little League International Tournament Committee in Williamsport, Pa. Members of the Tournament Committee are:

- **Daniel Velte** (Tournament Director, VP of Operations);
- **Nick Caringi** (Senior Assistant Tournament Director, Senior Director of Operations and Education);
- **Sam Ranck** (Assistant Tournament Director, Senior Director of Strategy and Development; Director of the Challenger Division);
- **Corey Wright** (Senior Director of Regional Operations);
- **Demiko Ervin** (Director of the Urban Initiative);
- **Brent Stahlnecker** (Senior Director of Risk Management);
- **Ashlea Miller** (Director of Softball Development);
- **Stu Hartenstein** (Director of Umpire Development).

More than 6,500 teams, approximately 6,000 teams in the U.S., begin the tournaments in the Little League Baseball division. About 6,000 are eliminated in the first three weeks of play. About 45,000 games are played in seven divisions leading up to the various World Series tournaments. More than 16,000 of those games are played in the Little League Baseball division, the equivalent of more than six Major League Baseball seasons.

**District:** This is the first level of play. Most district tournaments begin around the first week of July, lasting from one to three weeks. Some large districts, or those made up of widely dispersed teams, play in area tournaments before advancing to a district final or semifinal. Some district tournaments are played in a modified Olympic Pool Play format.

**State, Province, or Country:** This is the next major level of play. However, in some states, provinces, or countries where there are many leagues, a sub-tournament is played, usually referred to as Sectionals. State, provincial, or national tournaments are generally played around the last week of July or the first week of August. Most of these tournaments are played in a standard double-elimination format.

**Region:** This is the third level. However, there may be one or two pre-region tournaments (Section or Division Tournaments) played in some areas before advancing to the region level. Region tournaments are usually played in the first or second week of August. Most are double-elimination, but a few use the modified Olympic Pool Play Format.

**World Series:** This is the final level of tournament play. There are seven World Series tournaments played in the Little League program.

The Little League® International Tournament is the premier youth baseball and softball competition in the world. Tournament play is regarded as an important supplemental phase of the Little League program. There is no obligation on the part of any league to enter the tournament, but a majority participate annually.

Little League Baseball® tournament teams are made up of players selected from among the Major Division teams in local leagues. The maximum number for a roster is 14 Little League age (10- to 12-year-old) players. League age is the age attained by a player as of August 31 of the current year. Managers and coaches are also selected from the membership of local leagues.

In 2022, the World Series expanded from 16 to 20 teams with 10 regions represented in the United States and 10 International regions, including four countries which have an automatic bid to the tournament (Australia, Canada, Japan, and Mexico) each year as well as two additional countries who receive the direct entry (Curaçao and Panama in 2026). For the other countries, and all the U.S. teams, tournament play is conducted through the various levels to ultimately determine region champions. Each region champion is invited to participate in the World Series in South Williamsport, Pennsylvania, making up the field of 20 teams.

Through the invested support of Little League International, which includes the support of Little League's official sponsors and other philanthropic efforts, there is no fee of any kind for any team competing in the LLBWS. Little League International pays all of the expenses for all teams, including travel. While at the Series, the teams are housed in dormitories on the complex, and food is provided – all at no charge. All teams are provided with identical accommodations.

With approximately two million children and a million volunteers around the world supporting its mission, some of the investments Little League currently makes include:

- \$18 million to operate its Region and World Seven World Series Tournaments (\$8 million for LLBWS alone).
- Covering the housing, travel for international and domestic teams, and accommodations for all teams who compete at all seven World Series tournaments, with travel costing approximately \$20-40K per team.
- Working with its Official Sponsors to provide equipment, uniform, and gear to World Series participants, with an estimated annual value of \$1.8 million.
- More than \$475K in grant contributions to support Region and World Series Host Committees and provide a positive tournament experience.
- Approximately \$311K in mileage reimbursement support for teams advancing to Region Tournaments.

As leagues enroll there Little League International Tournament teams through the Data Center, there is a \$300 entry fee per tournament team enrolled at the Little League, Intermediate (50/70), Junior League, and Senior League divisions of play. The Tournament Entry Fee for the 8- to 10-Year-Old and 9- to 11-Year-Old divisions is \$150. Little League International uses the funds raised through these fees to help offset the direct financial assistance that Little League International gives to leagues for teams advancing to Region and World Series tournaments.

Little League International's Tournament entry fee is only charged at the start of the tournament, and 100% of the funds gathered through that fee go back to Little League's tournament reimbursements to local leagues advancing at the highest levels of the International Tournament, helping leagues as they continue through the tournament.

The Little League International Tournament Travel Fund provides millions of dollars in support to local Little League team's participating in the tournament each year. This fund is also used to transport the LLBWS teams to and from South Williamsport, Pennsylvania, and other baseball and softball World Series sites.

To qualify for the LLBWS, a team comprised of 10-, 11-, and 12-year-olds in a local Little League program must advance through the world's largest elimination tournament. At the World Series in South Williamsport, the average game attendance is normally well over 20,000, with crowds of 30,000 or more for the championship game. A record 469,964 fans attended the 32 games at the 2015 LLBWS, breaking the previous record of 414,905 fans that attended the 31 games at the 2011 World Series. Millions more see the games on the ESPN Platforms and ABC.

One of the most unique pieces of the event is that there is never any admission charge to attend the Little League Baseball World Series each August. Aside from the designated games that require digital tickets, there is limited General Public seating available for all other games in Lamade Stadium, which seats approximately 3,300, and Volunteer Stadium, which holds about 3,000. Seating is always available on the famous "hill" overlooking the outfield fence of Lamade Stadium, where no ticket is required. The "hill" just beyond the outfield fence of Lamade stadium offers excellent viewing and can accommodate up to 30,000 more fans.

The Little League Baseball World Series is also a fun and affordable opportunity for an all-day family outing with no cost for parking or admission, and plenty of things to do around the complex each year.

The highest estimated attendance for a LLBWS game was also set in 2015. The single-game record was eclipsed at the U.S. Championship Game between Red Land LL (Mid-Atlantic Region) and Pearland East LL (Southwest Region) with approximately 45,716 people in attendance. The World Series Championship Game attendance record was set in 2001, when National Little League from Apopka, Florida, played Kitasuna Little League from Tokyo, Japan, in the championship game before 44,800 people.

**NOTE:** These attendance numbers are estimations. Exact figures are not available since tickets are not required for most fans and there are no turnstiles.

As part of their extended agreement in 2023, T-Mobile was named the presenting sponsor for the Little League Baseball World Series, which includes a continuation of their role as the presenting sponsor of the broadcast on the ESPN platforms. Though official sponsors have long been integrated as part of the Little League World Series events, dating back to the first ever national sponsor in 1948, T-Mobile's inclusion in 2023 marked the first time in modern history a presenting sponsor has been associated with the World Series, giving them direct brand integration within the event.

Appointment as a member of the volunteer umpiring crew for a World Series is the highest honor that Little League® can bestow on a volunteer umpire. The selection process to become a World Series umpire is lengthy and rigorous and has become an honor that only a select group has gone on to achieve. To be eligible to volunteer in a Little League World Series event, an umpire must first have competed in a Region Tournament event. After that experience is completed, the process for selection to work a World Series begins with an application submitted by each umpire through the Umpire Registry. Once received, the District Administrator may also provide comments to the Selection Committee for review. Additionally, select umpires may also be invited to participate in a Tournament Umpire Identification Camp, held in person at one of Little League's five U.S. Region locations, to help assess their skills and provide further education.

The Little League International Selection Committee then considers all nominated umpires in coordination with each of its nine Region offices before selecting high-performing umpires to officiate each postseason tournament. All nominated umpires are then screened one final time by the Little League International Selection Committee and Region staff before their official selection to umpire in a Little League World Series tournament. To support their efforts, Little League provides each umpire with a travel stipend to help offset the costs to attend their respective World Series events.

## TEAM HOSTS

The volunteer Team Hosts who are set to support all 20 participating teams at the 2026 LLBWS officially selected their team pairings via a random drawing as part of a Team Host Celebration at the *World of Little League® Museum* on June 10, 2026. The primary focus of the LLBWS is placed squarely on the experience of the players from the 20 teams that come to South Williamsport, and it is up to the volunteer Team Hosts and Utility Hosts to make sure those players have a Little League® experience that lasts a lifetime. These Team Hosts are responsible for ensuring that each team is on time for games and practices, arranging their team's uniform fittings, helping with the coordination of the media activities, and making sure that many other daily tasks go smoothly for the players, coaches, and managers. Throughout the course of their time in Williamsport, all of the hosts forge a lasting bond with their players, coaches, and managers over the course of the LLBWS, and many stay in touch after the World Series is over. The full listing and team assignments is below with the number of years the individuals have volunteered as a team host, including this year, in parentheses after their name:

## WORLD SERIES FORMAT

The 20 teams are divided into two brackets: 10 teams in the International Bracket and 10 teams in the U.S. Bracket. Each bracket follows the same two-phase arrangement. The format for the 2026 LLBWS, is divided into two distinct phases:

- **Phase One** consists of Game No. 1 through Game No. 34.
- **Phase Two** consists of four games: Game No. 35 through the World Championship Game.

Once Phase One has been completed, any losses in that phase have no bearing on the second phase. However, pitching records will carry over to the second phase.

Home and visitor designations are determined by a coin toss, unless the game is between an undefeated team and a team with one loss. Then, the undefeated team has the choice of being home or visitor.

### PHASE ONE

In Phase One, the two brackets follow a double-elimination tournament structure. In a standard double-elimination tournament, the team coming out of the losers' bracket, which would have one loss, would have to twice defeat the winners' bracket finalist in order to advance. However, under the modified format, Phase One ends with the final game of the losers' bracket.

There is no "if-necessary" game in either bracket. Instead, the winners' bracket finalist and the losers' bracket finalist are the two teams in each bracket (for a total of four teams) that move on to Phase Two.

### PHASE TWO

This phase (Game No. 35 through the World Series Championship Game) features a simple four-team, single-elimination format. Games won or lost in Phase One have no bearing on Phase Two. In Phase Two, the two remaining teams in the International Bracket play a single game for the International Championship, and the two remaining teams in the U.S. Bracket play a single game for the U.S. Championship.

The two losing teams in the International and U.S. Championship games will play in a Consolation Game. The winners of the International and U.S. Championship games play a single game for the LLBWS Championship.

## LITTLE LEAGUE® BY THE RULES

Most of the rules that govern play in Little League Baseball® are the same as those used at other levels of play. But, there are a few rules that you will find only in Little League Baseball. What follows is a short explanation of some of the more prominent rules that are specific to Little League Baseball.

### PITCH COUNT

Pitchers removed from the mound may not return as pitchers. The manager must remove the pitcher when said pitcher reaches the limit for his/her age group (see below), but the pitcher may remain in the game at another position.

**League Age 10:** 75 pitches per day

**League Age 11-12:** 85 pitches per day

**Exception:** If a pitcher reaches the limit imposed above for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: 1. That batter reaches base; 2. That batter is put out; 3. The third out is made to complete the half-inning.

**Note:** A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day. A player who catches in four or more innings in a game is not eligible to pitch on that calendar day.

**Note:** A player who played the position of catcher for three innings or less, moves to the pitcher position, and delivers 21 pitches or more in the same day, may not return to the catcher position on that calendar day.

Pitchers league age 10-12 must adhere to the following rest requirement:

- **66 or more pitches in a day:** four (4) calendar days of rest
- **51-65 pitches in a day:** three (3) calendar days of rest
- **36-50 pitches in a day:** two (2) calendar days of rest
- **21-35 pitches in a day:** one (1) calendar day of rest
- **1-20 pitches in a day:** zero (0) calendar days of rest

**NOTE:** Pitchers may complete a batter at each threshold above, including the maximum pitch count.

**NOTE:** Under no circumstances shall a player pitch on three (3) consecutive days.

### MANDATORY PLAY/CONTINUOUS BATTING ORDER

All players listed on team affidavit that are present at the start of the game must appear in the batting order. Each player is required to bat in his/her respective spot in the batting order.

To learn more about Continuous Batting Order, including details about why the change was made in 2023 and recommendations on how local leagues and coaches can help make it successful, visit [LittleLeague.org/MandatoryPlay](https://LittleLeague.org/MandatoryPlay).

### SUBSTITUTIONS/RE-ENTRY

As part of Continuous Batting Order, a player may be entered and/or re-entered defensively in the game at any time. Pitchers once removed from the mound, may not return as pitchers. If a pitcher throws 41 or more pitches, he/she cannot become the catcher for the remainder of that day.

### COURTESY RUNNER

Utilizing Continuous Batting Order identifies each player as a starter in the batting order and therefore eliminates the option to use a Special Pinch Runner. Instead, a Courtesy Runner may be used anytime there are two outs and the pitcher and/or catcher are on base. The Courtesy Runner must be the player in the batting order who made the last out.

### INTENTIONAL WALKS

Since 2017, defensive teams are now able to elect to intentionally walk a batter by announcing the decision to the plate umpire. After appropriate notification is made by the defensive manager, the ball is ruled dead and no other runners may advance unless forced by the batter's award of first base. Once the award is granted, four pitches will be added to the defensive pitcher's official pitch count. Starting in 2023, a player may only be intentionally walked by announcing such decision to the home plate umpire one time during the course of the game. **NOTE:** Pitcher may choose to throw four balls outside of the strike zone to this batter at another time during the game.

### MANAGERS/COACHES IN THE DUGOUT

Each tournament team will be required to have a minimum 12-player roster, and any team with fewer than 12 players will require a waiver from the District Administrator. Regardless of the roster size, each team is permitted to have up to three eligible managers and coaches in the dugout.

### TIE BREAKER FORMAT

After the completion of six innings and the score tied, the following tie-breaker will be played to determine a winning team:

- Starting in the top of the seventh inning, and each half inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on second base.

## OFFICIAL SPONSORS OF LITTLE LEAGUE®

For more than 75 years, Little League® has partnered with major corporations on a national level to help keep the costs for our local Little Leagues to a minimum and to provide unparalleled benefits and resources to those member leagues. Sponsors help leagues operate smoothly, provide training resources for coaches, offset expenses for educational initiatives, offer grant programs for leagues in need, assist in supporting tournament costs, and provide opportunities and knowledge in fundraising, operations, nutrition, and safety. In short, sponsors help leagues offer the best programs possible, so players and volunteers can have a fun and rewarding Little League experience.

Today, a select group of companies have earned the right to call themselves "Official Sponsors" of Little League. These companies have displayed a commitment to the children of Little League and to the ideals Little League hopes to instill in children around the world. These companies are permitted the use of Little League's official trademarks and intellectual property including the Little League World Series logos. Each year, the Fan Zone provides visitors to the LLBWS engaging and family-friendly interaction with our national sponsors. To learn more about each of the different Official Sponsors, and learn about their activities and activities, please visit [LittleLeague.org/Sponsors](https://LittleLeague.org/Sponsors).

### OFFICIAL PARTNERSHIP WITH MAJOR LEAGUE BASEBALL

In 2017, Little League® Baseball and Softball announced an official partnership with Major League Baseball to continue fostering interest and encourage participation in youth-centered baseball and softball activities. That relationship expanded in 2019 with the creation of a Joint Sponsorship Agreement which allowed the two organizations to collaboratively oversee Little League's official sponsor program.

## RALLY FOR LITTLE LEAGUE - PHILANTHROPY AND SOCIAL IMPACT

In honor of National Little League® Week (June 8-14), an officially recognized celebration dating back to 1959 when President Dwight D. Eisenhower made the declaration, Little League International was proud to announce the launch of its enhanced Philanthropy Campaign – "Rally for Little League." Building off the initial Text to Donate efforts launched in 2025, the Rally for Little League campaign serves as the creative expression of Little League's broader fundraising strategy, unifying messaging across all audiences to raise awareness and funds to support the unique experience that only Little League can offer. Those interested in supporting this campaign can do so by visiting [LittleLeague.org/Rally](https://LittleLeague.org/Rally) or by texting **RALLY to 345345** (message and data rates may apply).

*"What sets Little League apart from other youth baseball and softball programs is that we are a mission-driven nonprofit," said Patrick Wilson, Little League President and CEO. "The funds we generate help remove barriers and create access, providing more kids with the opportunity to experience the Little League program, and this campaign will help us show the direct impact that our supporters can provide to the children and communities we support all around the world each year."*

As a mission-driven nonprofit, Little League uses its revenues to remove barriers and create access and opportunities for kids to experience its industry-leading baseball and softball program each year. Throughout the course of the 2025 season, Little League's philanthropic efforts saw **more than \$250K received from donors** which will be provided back to support local leagues, including **37% of donations being placed in honor and/or memory** of individuals who passed away during that year. The investment goes beyond just that of the Little League program, as well, with Major League Baseball pledging all proceeds from its 2025 Winter Meetings Charity Auction to the Little League Disaster Relief Fund, totaling nearly \$200K to support the efforts.

In 2025, Little League International also earned its **Candid Platinum Seal of Transparency** from Candid.org, a nationally recognized designation earned by nonprofits that share key organizational information on Candid, the world's largest nonprofit database. To learn more about Little League's "Rally for Little League" campaign, including how you can help support these efforts, visit [LittleLeague.org/Rally](https://LittleLeague.org/Rally). ## POTENTIAL STORY IDEAS

### INCREASING ACCESS AT YOUNGEST LEVELS OF PLAY (LEAGUE CHOICE)

Starting with the 2025 season, children at the youngest levels of the Little League Baseball and Softball program (League Age 4-7) throughout the United States had the ability to register and play for any local Little League program they choose, without respect to any geography- or school-related eligibility requirements. Those players who register under this option will also be fully eligible to participate in all aspects of league play, including International Tournament play, for the duration of their Little League careers provided they have continuous and unbroken participation from the time they are League Age seven within the specific league where initially registered and provided all other participation eligibility requirements have been met.

As part of this strategic change, which is detailed in Little League's Regulation II as found in the Little League Rulebook App, players League Age 8-16 as of the 2025 season (born on or before September 1, 2017, for Baseball or January 1, 2017, for Softball) will continue to utilize the current boundary requirement based on residency or school enrollment.

Opportunities and waivers will continue to be available as an option for players should they be interested in switching leagues that are outside of these requirements, based on approval and potential stipulations from the Little League International Charter Committee.

### PARTICIPATING IN ASPEN INSTITUTE'S 63X30 VISION

Little League International is pleased to be part of the initial group of nearly 20 partner organizations for The Aspen Institute's new 63x30 Vision, aimed at getting at least 63% of youth playing sports by the end of the decade in 2030.

Since 2013, Project Play, the flagship initiative of The Aspen Institute's Sports and Society Program, has provided insights, ideas, and opportunities to build healthy children and communities through sports. Now, for the first time, the initiative has adopted an ambitious target for youth sports participation as a catalyst for new actions and investment from the public and private sectors.

63x30 is focused on getting more kids actively involved over the next few years as only 54% of children ages 6-17 in the U.S. played on a team or took lessons in 2022, down from 58% in 2017, according to federal data shared by The Aspen Institute.

As one of the partner organizations, Little League joins the other partnering organizations in committing to taking actions that can get and keep more young people playing sports, from creating affordable programs in underserved neighborhoods to promoting multi-sport sampling to developing more coaches to serve children's needs.

### HONORING VOLUNTEERS WITH THE COMMUNITY HEROES OF THE YEAR, PRESENTED BY NEW YORK LIFE

Launched in 2020, the Little League Community Heroes recognition program is a year-long celebration of players, coaches, umpires, league officers, team parents, and any other volunteer who goes above and beyond for their local league and within their respective communities. Since 2022, volunteers who were nominated for the Community Heroes program throughout the year also became eligible to be recognized as Community Heroes of the Year, earning grant funding for their league thanks to the support of the award's presenting sponsor, New York Life. To learn more about the Little League Community Heroes recognition program, Presented by New York Life, and to nominate a Community Hero in your league, visit [LittleLeague.org/CommunityHeroes](https://LittleLeague.org/CommunityHeroes).

### LE JEUNE CHEF (PENN COLLEGE) TO PROVIDE MEALS TO LLBWS TEAMS

For the sixth year in a row, Little League® International will be teaming up with Le Jeune Chef Restaurant at the Pennsylvania College of Technology to provide its participants with dining services throughout the LLBWS. Because the casual fine-dining restaurant is a live-learning lab for the college's baking, pastry and culinary arts majors, students are heavily involved in the experience.

The college and Little League share a long history of collaboration as the two nonprofits support each other's missions. Students were first engaged in hands-on learning at the Little League International complex before it opened in 1959 when heavy construction equipment students moved 120,000 tons of earth to prepare the site to become the World Series' home. In the 1970s, the college's students built concession stands (since relocated). In the 1980s, they renovated the dining hall where Le Jeune Chef will serve buffet-style meals this year and installed roofing and siding on two team dormitories. Building construction students have also built concrete steps at the complex, while forest technology students have completed tree work in the International Grove.

### REMEMBERING JACK LOSCH: TEAM SPORTSMANSHIP AWARD

Jack Losch's legacy is far greater than what he did on a Little League® field, although what he did there was pretty special too. Mr. Losch was the starting center fielder on the very first team to win the LLBWS. He went 2-for-4 in the championship game when the Maynard Midgets of Williamsport topped Lock Haven All-Stars, 16-7, on August 23, 1947. About eight years later, after playing as a three-sport athlete at the University of Miami, Mr. Losch would be selected eighth overall by the Green Bay Packers in the 1955 NFL Draft. The Packers' selection would make Mr. Losch the first professional athlete to play in the Little League Baseball World Series.

Mr. Losch kept his ties with Little League, serving as honorary chairman of the Little League Baseball World Series 50th Anniversary Celebration in 1996. While in that role, Mr. Losch spoke of his time in Williamsport. Mr. Losch's legacy continues to live on in Williamsport today. Following his death in 2004, Little League International introduced the Jack Losch Little League Baseball World Series Team Sportsmanship Award, given to the team that best exemplifies the spirit that Mr. Losch displayed both on and off the playing field. His legacy can also be found as displayed in an exhibit with the *World of Little League® Museum*.

Mr. Losch also paved the way for future Little League® who would go on to become professional athletes. Since Mr. Losch's debut on the gridiron in 1955, many former athletes who played at the LLBWS in Williamsport have also gone on to play in the NFL and other professional sports. ### ADIDAS WORLD SERIES UNIFORMS INSPIRED BY SPEED AND EXCITEMENT

Inspired by the speed and excitement that define both baseball and softball, Little League® and adidas unveiled the official uniforms for the 2026 Little League Baseball and Softball World Series tournaments.

The 2026 Little League Baseball and Softball World Series uniforms represent the continued growth of the partnership between Little League and adidas, giving all the participants the opportunity to celebrate movement, self-expression, and individuality. This year's collection is built around adidas' "ADIZERO Racing" concept, drawing inspiration from motorsports and racing culture to create a look that feels dynamic, modern, and unmistakably competitive.

The design language draws from racing culture, while celebrating what happens on the field every day – explosive swings, quick reactions to stolen bases, game-changing plays, and exuberant team celebrations. This year's uniforms celebrate the fast-paced nature of the game while providing each region with a unique visual identity to honor their community and celebrate their achievements throughout the Little League International Tournament journey.

Fans can represent their favorite region with this year's adidas replica jerseys and other great merchandise by visiting [ShopLittleLeague.org](https://ShopLittleLeague.org) or stopping at the Little League Flagship Store on-site at the LLBWS Complex.

## MEDIA FREQUENTLY ASKED QUESTIONS (FAQS)

### DO I NEED A SPECIFIC MEDIA CREDENTIAL FOR EACH DAY OF THE TOURNAMENT?

No. The media credential provided upon arrival will last you the entire tournament.

### CAN I PICK UP MEDIA BADGES FOR THE REST OF MY STAFF?

No. Media badges must be picked up by each individual media representative with proper photo identification.

### MAY I BRING GUESTS (FRIENDS OR FAMILY) AND RESERVE A SEAT FOR THEM IN THE PRESS AREA?

No. Media credentials will only be issued to approved, working members of the media. Seating is for working media only. Access to the Media Workspace, as well as any other areas where media credentials are required, is for credentialed media only.

### CAN I GET A TEAM PRACTICE SCHEDULE?

To receive a copy of the practice schedule, you will need to contact a team manager or coach. It is up to the manager and/or coach to disseminate the information to the media. Managers are not required to provide these schedules to members of the media.

### CAN I INTERVIEW THE PLAYERS?

Yes. However, an adult (manager, coach, parent of player, or Little League Communications staff member) must be present at all times during the interview. No members of the media are allowed to enter any "Player Only" area, including the Grove and/or practice fields, without consent from the Little League Communications staff.

### HOW CAN I CONTACT THE TEAM MANAGER/PLAYER FOR AN INTERVIEW?

In order to put in a request to talk with the team manager, or any players on that team, members of the media should email [WSMedia@LittleLeague.org](mailto:WSMedia@LittleLeague.org) or put in a request to the security staff at Gate B of the Dr. Creighton J. Hale International Grove, located at the top of the stairs near the right-field corner of Lamade Stadium.

Once the request is submitted, it will be passed along to the Team Host and/or directly to the manager. At that point, the manager can either accept the request and contact the media member, or deny the request. **NOTE:** No member of the media is permitted to enter the International Grove for any reason unless escorted by a member of the Little League International Communications Staff.

### WHEN DO LINEUPS BECOME AVAILABLE?

Line-ups are available one hour before each game and can be found in the Media Center on the third-base side, underneath Lamade Stadium. They may also be found online via GameChanger at [LittleLeague.org](http://LittleLeague.org) or via the GameChanger app.

### WHERE CAN I FIND TEAM INFORMATION AND ROSTERS?

Team information, including roster information, is available inside the team insert that was provided to you upon arrival. The team insert provides information about each team in the LLBWS as well as a team photo with outline. Team information can also be found at [LittleLeague.org/WSMedia](http://LittleLeague.org/WSMedia).

### WHEN WILL BOX SCORES BE AVAILABLE?

Printed box scores are available at the conclusion of each game outside of the Press Conference Room, as well as in the Media Workspace, located on the third-base side of Lamade Stadium. Digital box scores can also be found at [LittleLeague.org/LLBWS](http://LittleLeague.org/LLBWS).

### WHEN AND WHERE ARE POST-GAME PRESS CONFERENCES HELD?

Post-game press conferences are held approximately 10 to 15 minutes after each game in the interview room underneath Lamade Stadium and are moderated by the Little League Baseball World Series Communications Staff. Please see the "Post-Game Press Conference" section of the Little League Baseball World Series Media Guide, or ask any member of the LLBWS Communications Staff, for further details.

### CAN I ASK A PLAYER/COACH TO FILM OR TAKE PHOTOS INSIDE THE INTERNATIONAL GROVE?

No. Filming or photography of any kind is prohibited inside the International Grove during the Little League Baseball World Series.

### CAN I TAKE PHOTOS FROM THE PRESS SECTIONS IN LAMADE AND VOLUNTEER STADIUMS?

Photos inside the stadium are restricted to individuals with a Photo 1 credential only. Pool photos of the Little League International Complex and Little League Baseball World Series are available upon request by emailing [WSMedia@LittleLeague.org](mailto:WSMedia@LittleLeague.org).

### CAN I TAKE VIDEO OF GAME ACTION?

No. Individuals with television credentials may only obtain B-Roll footage following the guidelines outlined in this media guide.
