

**Anthony Fasulo**

We should, collectively, find ways for as many kids as possible to play as opposed to limiting their participation or just focusing on a select group of players. I will strive to continually look for ways to improve the program and offer the Little League experience to as many people as possible.

## Professional Summary

- Have worked for Sandia National Laboratories for 18+ years. Currently oversee Enterprise Cybersecurity, but have held several different technical and senior management positions
- Previous employers – Ardent Health Services, Intel Corporation, Compass Bank, and Lovelace Hospital System. Positions ranged from finance director, engineer, to other executive management positions
