

July 2019

Dear Little League Parents,

Congratulations! You are on your way to a Little League Regional Tournament for several more days of fun, hopefully sun and probably another hot dog or two! Regardless of who moves on to the World Series, we hope you look back on the summer of 2019 as one filled with special memories.

On the following pages, we have attempted to pull together information that will be helpful to you as you prepare to support your child during their Regional Tournament participation.

Keep in mind that your team's manager is the spokesperson for your team in this tournament. We have given each manager some paperwork responsibility and we ask that you cooperate in completing that required paperwork and submitting it by the deadlines we have provided.

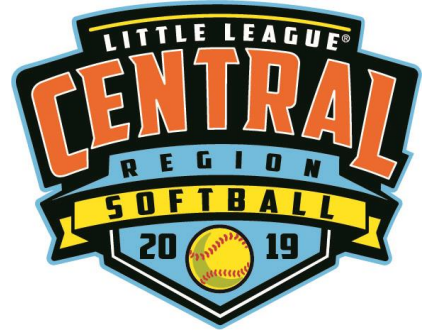

Warm regards,
