

## Little League® World Series Family Fun Zone Tent Safety Minimum Guidelines

In order to maintain a safe and enjoyable environment while activating on-site at the Little League Baseball® World Series, below is a list of tent safety guidelines to follow while planning your on-site activation. Please email [Marketing@LittleLeague.org](mailto:Marketing@LittleLeague.org) with any questions.

1. Tent(s) **MUST** be installed to withstand winds of up to 30 miles per hour.
2. Water barrels (55-gallon minimum) are required to secure each tent pole and can be rented from Grand Rental Station (570) 323-9838
3. Tent(s) must have a manufacture's tag attached detailing manufacturer's instructions (e.g. this will outline any fire rating, etc.)
4. Prohibited items include portable generators, heaters or cooking devices – Utilities supplied by Little League (e.g. electric, internet, etc.) must be used. Specific electric and internet needs must be requested on the Electric and Internet Form located in the "Forms" section of the Sponsor Portal by **July 9<sup>th</sup>**.
5. Tent flaps/walls are strongly recommended to protect the interior of your tent from potential inclement weather conditions such as wind and rain, etc.
6. Security is at the responsibility of the sponsor – Little League will not be responsible for lost or damaged items. Please plan accordingly.
7. Little League and the local authorities reserve the right to inspect each tent installation on-site.
