## 2022 Information Portal

---

New for 2022, Little League Marketing and Communications have created a Marketing and Communications Information Portal for each Divisional Tournament. The main goal of the Information Portals are to help aid in your organization and help you stay on track with important updates, sponsor information and assets, resources, and much more that will prepare you for your tournament. Little League Marketing is also continuing the use of a shared Live Microsoft Word with each Divisional Director for 2022 specifically for sponsor activation and shipments, and this will be available to you on your Information Portal.
