

LITTLE LEAGUE[®] INTERNATIONAL

OFFICE OF THE SENIOR OPERATIONS EXECUTIVE

Ken Bradley

N.S. District 1

Atlantic Director Little League Canada

I have served as District Administrator for Nova Scotia District 1 since 2016. I am currently Atlantic Director for Little League Canada and have been for the past 3 years. I have been involved in baseball my whole life and served in various capacities such as Coach at all Little League Levels, League President, Vice President, National Tournament Director at 4 different Championships, Umpire in Chief, Baseball Clinic Coordinator, Member of World Series Umpire Alumni, and what I am most proud of is having the chance to umpire at the 2008 Little League World Series. I have also umpired at 11 National Championship tournaments, 8 Atlantic Championship tournaments, and countless Provincial tournaments.

I currently sit on the governance side of Little League Canada and have served on various committees such as Coach Certification Program, By-law Committee, Umpire Advisory Committee, and Tournament Travel Committee just to name a few. I have spearheaded the push to start a brand-new Girls Softball Program in our district and have most recently received my 30-year service pin for Little League Canada.

I am currently 58 years old, I work in the education field, and am married for 35 years to my beautiful wife June. I have a son and daughter, and 2 beautiful grandchildren who eat, sleep, and breath baseball. Because I work in the education field, I have summers off and usually spend all my time at the baseball field either coaching, umpiring, or doing field maintenance at our local complex. I am very proud to say I have worked with our many volunteers to help build one of the most successful districts in the country. My team and I are very proud of the fact that 2 of our leagues offer free registration to over 800 kids and have done so since 2016.
