

CLEAR BAG POLICY

To support the safety, security, and to enhance the overall experience of the visitors, players, and volunteers at the Little League Baseball® World Series (LLBWS) each August, Little League® International enforces a Clear Bag Policy. This policy is designed to help Little League in expediting entrance into the complex to provide visitors with the best possible experience during their visit to South Williamsport.

PERMITTED BAGS

The following bags are permitted at the security check point at the Little League International Complex:

- Clear Bags in the material of plastic, vinyl, or PVC (20" x 20" x 6" or smaller)
- Clutch purse/wristlet/belt bag (6"x 9" or smaller)

The following bags are also permitted at the security check point at the Little League International Complex but may be subject to a thorough search. Visitors with these bags should **plan to arrive earlier** as they may experience a longer wait at security:

- Diaper Bags (persons carrying diaper bag must be accompanied by a child under the age of three)
- Medically Necessary Bags

PROHIBITED BAGS

These include, but are not limited to:

- Any bag that is not clear unless stated above as permitted.
- Clear bags larger than 20"x20"x6"
- Mesh Bags
- Tinted or Printed Pattern Plastic Bags
- Hard or Soft Coolers

Please note: Clear Bags that comply with the clear bag policy will be available for visitors at all security check points.

As always, fans can carry approved personal items in their pockets or jackets including keys, phones, wallets, and credit cards.

Bags that do not meet the policy are prohibited from entering the complex. Relocation/disposal of non-permissible bags off the Little League International Complex will be the responsibility of the owner. **No bag check or lockers will be available for the storage of prohibited items or bags that do not meet this policy.** Little League International is not responsible for items left behind, lost, stolen, or damaged.

NOTE: This policy pertains to bags and is not an all-inclusive list of items that are prohibited from being taken into the Little League International Complex. Guests are encouraged to bring only necessary items into the complex, and all fans and their belongings are subject to inspection at the entrances.

Please review the complete Prohibited Items List at [LittleLeague.org/ProhibitedItems](https://www.littleleague.org/ProhibitedItems).

Frequently Asked Questions

1. How does the Clear Bag Policy improve public safety?

A clear bag is easier and quicker to search and reduces faulty bag searches. In addition to the safety and security standards already in place at the LLBWS, the clear bag policy assists security gate personnel while also providing security throughout the complex with increased visibility of belongings to support the Department of Homeland Security's "[If You See Something, Say Something](#)" campaign.

2. How does this make it more convenient for fans?

In addition to an increased level of security, the clear bag policy will enable LLBWS staff to move fans through the security check points much faster, allowing staff to be more efficient and effective in checking bags while enhancing the fan experience by reducing the length of time fans are standing in line. It is Little League International's hope that shorter lines mean fewer hassles, all while guests enjoy an improved sense of safety.

3. What happens if I show up at the security check point with a bag that is prohibited?

Only those bags that meet the policy will be permitted to enter the complex. Relocation/disposal of non-permissible bags will be the responsibility of the owner. No bag check or lockers will be available. Little League International is not responsible for items left behind, lost, stolen, or damaged.

4. How many bags can each person bring into the complex?

Each fan (adult and child) is permitted to bring one clear bag and one small purse/clutch that meets the Clear Bag Policy.

5. Do fans have to put everything into the permissible bags, or can they carry additional items (i.e., cameras, binoculars, phones, etc.) separately from what they put in a clear bag?

No. Fans are still permitted to carry approved, personal items outside of what they have in their clear bag. For a complete listing of prohibited items, visit LittleLeague.org/ProhibitedItems.

6. What about diaper bags?

Diaper bags are permitted into the Little League International Complex if they are accompanied by a child under the age of three (3). It is important to note that while permitted, these bags are subject to search, and fans are encouraged to arrive earlier to accommodate. There will be a dedicated screening lane for diaper bags and medically necessary bags.

7. Does this clear bag policy affect my ability to bring a stroller into the complex?

No. Fans are still permitted to bring strollers onto the complex but will be subject to search upon entrance to the complex. In addition, strollers are still not permitted inside the stadiums and should be parked in the designated stroller parking areas.

8. Are all purses prohibited?

No. Small clutch purses, with or without a handle or strap, which do not exceed 6 inches x 9 inches are permitted along with the other approved clear bags as outlined in the policy above.

9. Am I permitted to bring my pin trading bag into the complex?

Visitors are permitted to carry their pins in any bag or item that meets the bag policy. Pin trading at the LLBWS is a storied tradition that we know is important to many of our fans and visitors, so we want to make sure that those fans who would like to bring their pin trading collection can continue to do so. Clear pin trading books are available at ShopLittleLeague.org.

10. If I have certain items that I need to bring into the stadium for medical reasons and they will not fit in the clear bag, what do I do?

Fans are still permitted to carry approved, personal items in their pockets or jackets, outside of what they have in their clear bag, including items needed for medical use. In addition, Medically Necessary Bags will be permitted within the complex. It is important to note that while permitted, these bags are subject to a longer bag search at a separate, dedicated line and fans are encouraged to arrive earlier to accommodate.

11. I am not comfortable carrying feminine hygiene products in a clear bag, are they available on the complex?

Yes. There are dispensers for feminine hygiene products in all restrooms on the complex and the museum. The dispensers are kept fully stocked and are free of charge.

12. Can I bring a bag chair into the complex?

Yes. Folding chairs are permitted on the complex. The chair must be removed from the bag to go through security screening. Once through security, the chair can be returned to the bag.

13. Does this bag policy apply to credentialed volunteers, employees, media, and sponsors?

Individuals who display their LLBWS Credentials will be permitted to bring in camera bags, computer bags, backpacks and equipment bags designed for specific pieces of equipment necessary for the individuals' duties while at the event. All bags will be thoroughly searched. Please contact your LLBWS contact for more information.

14. What if I refuse to have my bag searched?

All individuals, personal items and vehicles brought onto the LLBWS complex are subject to search and inspection. If the holder elects not to consent to these searches and inspections, the holder will be required to leave the property immediately.
