

## **Tournament Rules and Guidelines**

### **Little League Baseball®, 8- to 10-Year Old Division, 9- to 11-Year-Old Division, Intermediate (50-70) Division, Junior League, and Senior League Baseball**

#### *Points of Emphasis in Bold Italic*

Tournament play started in Little League in 1947. Conduct of tournament play by District Administrators began in 1956 following the first Little League International Congress. Today, responsibility for scheduling and supervising all District tournament games comes under jurisdiction of the District Administrator. Little League International has the right to appoint Tournament Directors at other levels of tournament play.

The Tournaments of Little League have grown year by year until today they have become the outstanding, in fact, the only exposure that the majority of the public sees. In many cases, they are the criterion by which Little League is judged. Proper conduct at tournament time imposes a large responsibility upon all concerned. Good judgment and exemplary disciplines are demanded if Little League tournaments of the future are to remain worthwhile in the public esteem.

The Little League Baseball Tournament, 8- to 10-Year-Old Division Baseball Tournament, 9- to 11-Year-Old Division Baseball Tournament, Intermediate (50-70) Division, Junior League, and Senior League Tournaments are authorized by the Little League International Board of Directors. Leagues which exercise the option to participate in Tournament Play must pledge they will do so with full knowledge of the rules and in agreement that the rules will be upheld.

**RULES:** Except where noted in these Tournament Rules and Guidelines, the Little League Baseball Official Regulations and Playing Rules will be used in the conduct of the 8- to 10-Year-Old Division Tournament, the 9- to 11-Year-Old Division Tournament, the Little League Baseball Tournament, the Intermediate (50-70) Division, Junior League, and Senior League Tournaments.

**8- to 10-Year-Old Division & 9- to 11-Year-Old Division:** The objective of the 8- to 10-Year-Old Division and 9- to 11-Year-Old Division Tournament is to provide eight-, nine-, and ten-year-old players, and nine-, ten-, and eleven-year-old players, the opportunity to participate in a baseball tournament at the District, Sectional, and State levels at the conclusion of the regular season. Leagues are strongly encouraged to place the maximum number of players (14) on the Tournament Affidavit, thereby giving more players the opportunity to participate.

#### **Responsibility and Chain of Command**

It should be clearly understood by Tournament Directors and league presidents that operation of the annual tournaments in Little League come under a different authority and jurisdiction from that normally observed during the playing season. It is, in fact, a whole new ball game. Once the tournament season starts, authority is vested solely in the Tournament Committee at Williamsport.

There will be no waivers, resorting to local rules, or other variation unless granted explicitly from Williamsport. To administer the tournament properly and scale down thousands of teams to two finalists in the limited time afforded by the tournament season is an undertaking requiring considerable discipline. Once the tournament starts, it must

proceed without interruption. If protests or disputes occur which cannot be settled by the umpires or Tournament Director through immediate and concise application of the rules, an appeal must be made through proper channels promptly to prevent a major blockage or loss of momentum.

Revocation of tournament privileges or forfeiture of a tournament game may be decided only by the Tournament Committee at Williamsport. Should a problem arise that cannot be resolved while a game is in progress, the game must be suspended by the Umpire-in-Chief and the problem referred immediately to the Tournament Director. If not resolved, it must be referred to the Regional Director. If still unresolved, it will be referred to the Tournament Committee in Williamsport. If the Tournament Committee deems any player to be ineligible, by league age, residency or school attendance, participation in other programs, or participation in less than sixty (60) percent of the regular season games, it may result in forfeiture of tournament game(s), and/or suspension or removal of personnel from tournament play, and/or suspension or removal of personnel or teams from further Little League activities, and/or suspension or revocation of the local league's charter. These actions can only be taken by the Tournament Committee in Williamsport.

The Tournament Committee and the individual Regional Directors may appoint agents to act on their behalf, and any person so appointed shall have the authority to act as, and exercise the duties of, the Tournament Committee or the individual Regional Directors.

**The Tournament Committee also reserves the right in its sole discretion to impose any penalties if, in its judgment, any player, manager, coach, umpire, or other volunteer conducts him/herself in any manner, on or off the field, that does not positively reflect the high standard Little League holds for sportsmanship, citizenship, and decorum. This includes displays of unsportsmanlike conduct, "making a travesty of the game," or violating any rules, regulations, or policies contained herein during the game, at the game site, at any other location or time related to the International Tournament. The Committee also reserves the right to impose any penalty the Committee deems appropriate, if the committee determines action is necessary to correct a situation brought to its attention, regardless of the source of that information. The decision of the Tournament Committee is final and binding.**

Knowledge of the rules must be guaranteed before a Tournament Director is declared qualified. All Tournament Directors will undergo a thorough and instructive briefing session prior to taking on their duties, must signify that they understand the rules, and regardless of personal feelings, they are in full agreement and can interpret them properly. At the time of the District tournament meeting, it will be required that each league president or the representative in attendance signify that the league and tournament team managing personnel are knowledgeable of Tournament Rules and are in full agreement with these conditions.

### **Selection of Tournament Teams (Recommended Method)**

Little League would gain immeasurably in esteem of the public if all tournament teams were selected by the players themselves. Players relish the challenge of competition, but their anxiety to excel is in balance with an intuitive respect and admiration for teammate and opponent alike who demonstrate superior ability and skill.

1. It is not required that players be selected for the position they occupy during the regular season. For example, a pitcher who is also a good outfielder or infielder may

- be placed on the roster and used in whatever position the manager deems to be of advantage.
2. Tournament team candidates should be selected upon their playing ability and eligibility. The roster should include sufficient pitching strength to meet tournament schedules.
  3. The following plan was presented to the International Congress, Washington, D.C., 1965, as a guideline, taken from the experience of the International Advisory Council. The principle is to have all components of a league determine and participate in fair and democratic selection of the tournament team. This would eliminate many of the complaints, abuses, pressures, and charges of favoritism which are directed toward the league president. The following groups should each select its tournament team.
    - Group 1 - Players
    - Group 2 - League Officers
    - Group 3 - Team Managers
    - Group 4 - Team Coaches
    - Group 5 - Volunteer Umpires

Every player on the eligible teams is entitled to vote. Each group submits its list of players at a meeting of the Board of Directors of the league. The names are to be read and counted from each of the groups, and the players in the order of total votes received will become eligible for the tournament team.

Where more than one player has an equal number of votes to qualify for the last position or positions, final selection should be made by a majority vote of the Board of Directors at the time of the meeting.

**NOTE:** Method of selection is to be determined by the local league Board of Directors.

### **Tournament Organization**

#### **Teams**

Each chartered league shall be eligible to enter a team. Alternates are not authorized.

**(NOTE:** In the 8- to 10-Year-Old Division and 9- to 11-Year-Old Division, a league may enter more than one tournament team with the District Administrator's approval.)

Where two or more charters have combined to form a single program, a tournament team must be selected for each charter composed of players from within its own chartered area. Exceptions can only be made by the Charter Committee.

Tournament teams and Eligibility Affidavit shall consist of, and must be limited to, a maximum of fourteen (14) players, one (1) manager, and a maximum of two (2) coaches.

**Senior League:** Teams and Eligibility Affidavit shall consist of, and must be limited to, a maximum of sixteen (16) players, one (1) manager, and a maximum of two (2) coaches.

#### **Managers and Coaches**

The District Administrator or District Staff shall not serve as manager or coach. The league president may be eligible for selection by the local league Board of Directors to coach or manage with written approval from their respective District Administrator.

**Little League:** The manager and coach(es) shall be regular season team managers and/or coaches from the Little League Baseball (Major) Division.

**8- to 10- Division & 9- to 11-Year Old Division:** The manager and coach(es) shall be regular season team managers and/or coaches from the Little League Baseball (Major) Division or Minor League Division.

**Junior League:** The manager and coach(es) shall be regular season team managers and/or coaches from the Junior Division or Senior Division.

**Senior League:** The manager and coach(es) shall be regular season team managers and/or coaches from the Junior Division or Senior Division.

**Managers/Coaches in the Dugout** – If a tournament team has twelve (12) or more eligible players in uniform at the game site at the start of a game, then the maximum of three (3) adults who are named on the affidavit (or authorized replacements as noted on the affidavit) will be permitted to act as manager/coaches for that game. However, if a tournament team has eleven (11) or fewer eligible players in uniform at the game site at the start of a game, then a maximum of two (2) adults must be named at the start of the game as manager and coach. The two named adults must be listed on the affidavit, or must be authorized temporary replacements as noted on the affidavit. If there is a third adult listed on the affidavit, that adult is not permitted to be in the dugout or on the field during that game. **NOTE:** Base coaches may be adults and/or players provided at least one adult manager or coach remains in the dugout. See 4.05(b).

## Umpires

The Tournament Director shall have full responsibility for providing volunteer Little League umpires for tournament play. Umpires from leagues involved in the game should not be assigned. The District Administrator shall not umpire.

There should be at least two umpires in each game. More are recommended when available.

The designated Umpire-in-Chief for each game must be an adult.

## Tournament Eligibility Affidavit

It shall be the league president's responsibility to review and certify the birth records (league age) by viewing the original birth record and residence or school attendance (as defined by Little League Baseball, Incorporated) of all players. When the league finally decides on the makeup of the team, names must be entered on the league's Eligibility Affidavit. Once the District Administrator certifies the Eligibility Affidavit, the tournament team will be required to have in its possession:

1. the Eligibility Affidavit;
2. a map, signed, and dated by the league president and District Administrator, showing the actual boundaries of the league, with locations noted for the residences of the parent or legal guardian (court-appointed) or location of the school for every participant named on the affidavit;

3. a tournament verification form for each player; **NOTE: Players who established “residence” or “school attendance” for regular season and/or tournament in a prior season using the Tournament Player Verification form, and can produce the form with proper proofs and signatures, will NOT need to complete a new Tournament Player Verification form.**
4. three or more documents to determine residency of the parent(s) or legal guardian (court-appointed) or a document to support school attendance/enrollment for each player named on the tournament affidavit;
5. **waivers [i.e. II(d), IV(h), Charter Committee, etc.]**

**IMPORTANT: Alternates are not authorized. They shall not accompany the team and shall not be listed on the Eligibility Affidavit.**

Eligibility Affidavit must be certified by the District Administrator or his or her designated appointee and presented by the team manager to the Tournament Director before every game. Each Tournament team must have twelve (12) eligible players for the District Administrator to certify. **EXCEPTION:** A District Administrator may certify the Eligibility Affidavit for those teams that provide a justifiable reason for not having twelve (12) players. **NOTE:** The Eligibility Affidavit becomes official once the team plays its first tournament game.

### **Player Participation In Other Programs**

Once Tournament team practice commences, subject to the provisions of “Tournament Team Practice,” player participation in other programs during the International Tournament is permitted, subject to the specific provisions of Regulation I(g) and Regulation IV(a) NOTE 2.

### **Release of Names**

The release of names of players selected for the tournament team shall not be made before June 1, and not until the availability and eligibility of all prospective team members have been established. (The Little League group accident insurance program underwritten by an AIG member company for tournament teams will not go into effect until June 1.)

*Violation of this rule may be cause for revocation of tournament privilege by the Tournament Committee.*

### **League Eligibility**

In order for a Little League program to be eligible to enter a team or teams into the International Tournament (including 8- to 10-Year-Old Division and 9- to 11-Year-Old Division) the following must be accomplished as indicated:

- 1) The league must be chartered in an age appropriate division(s) for which it wishes to enter a tournament team(s), no later than **June 1, 2019**. **Examples:** Chartered in Little League (Majors) to enter a Major Division team (10- to 12-year-olds); chartered in Senior League to enter a Junior or Senior League Division team, etc.

See Reg. VII. **NOTE 1:** Forfeited games shall not count towards the 12-game **Senior League: Ten (10)-game** regular season. **NOTE 2:**

For Junior Tournament eligibility, Senior League players league age 13 and 14 must have played in a minimum of eight (8) Regular Season games.

**NOTE 1:** Forfeited games shall not count towards a team's 12-game **Senior League: Ten (10)-game** regular season nor towards any player's 60% participation.

## TOURNAMENT RULES AND GUIDELINES

---

The Tournament Committee may take action as a result of a protest or on its own initiative. Disqualification of a team or player(s) and/or forfeiture of a game must be the decision of the Tournament Committee at Williamsport, and such decisions will be made prior to the continuation of the affected team(s) or player(s) in further tournament play.

**NOTE:** All officials, including all managers, coaches, scorekeepers, umpires, Tournament Directors, District Administrators, etc., should make every effort to prevent a situation that may result in the forfeiture of a game or suspension of tournament privileges. However, failure by any party to prevent such situations shall not affect the validity of a protest.

### **Must Play To Advance**

A team shall not advance from one level of Tournament to a higher level of tournament play without first having competed against and defeated a scheduled opponent at the tournament level from which it is seeking to advance. Any team advancing without play must do so with the approval of the Regional Director.

## Tournament Playing Rules

The Little League, Intermediate (50-70) Division, Junior League, and Senior League Baseball Playing Rules shall govern tournament play except as noted below:

1. **BASEBALLS:** Baseballs licensed by Little League with the “RS-T” (regular season and tournament) designation must be used.

**NOTE:** Specific baseball models for tournament play can be found at [LittleLeague.org/TournamentBalls](http://LittleLeague.org/TournamentBalls).

2. **FIELDS:** All fields are considered neutral. The home team shall be determined by the toss of a coin, the winner having the choice.
3. **PLAYING RULES:** A copy of the Little League, Intermediate (50-70) Division, Junior League, and Senior League Baseball Regulations and Playing Rules and the Tournament Rules and Guidelines must be available at each tournament site and at the time the game is to be played. This is the responsibility of the Tournament Director. Written ground rules established by the Tournament Director or assistant must be reviewed with both managers and Umpire-in-Chief at least ten (10) minutes before the start of the game. It is suggested the same be available to news media if requested.
  - a. After entering the batter’s box, the batter must remain in the box with at least one foot throughout the at bat.

**EXCEPTIONS:**

- i. On a swing, slap, or check swing.
- ii. When forced out of the box by a pitch.
- iii. When the batter attempts a “drag bunt.”
- iv. When the catcher does not catch the pitched ball.
- v. When a play has been attempted.
- vi. When time has been called.
- vii. When the pitcher leaves the dirt area of the pitching mound or takes a position more than five feet from the pitcher’s plate after receiving the ball or the catcher leaves the catcher’s box.
- viii. On a three ball count pitch that is a strike that the batter thinks is a ball.

**PENALTY:** If the batter leaves the batter’s box or delays play and none of the exceptions apply, the umpire shall warn the batter. After one warning on a batter, the umpire shall call a strike. Any number of strikes can be called on each batter.

**Minor/Major Division:** No pitch has to be thrown, the ball is dead, and no runners may advance. **Intermediate (50-70) Division/Junior/Senior:** No pitch has to be thrown and ball is live.

**NOTE:** The batter may return their position in the batter’s box and assume the new count at any time during the at-bat, unless such enforced penalty is the third strike.

- b. In all Tournament levels and divisions, the penalty for use of an illegal bat [see Rule 6.06 (d)], if discovered before the next player enters the batter’s box following the turn at bat of the player who used an illegal bat, is:

- i. The batter is out (**NOTE:** The manager of the defense may advise the plate umpire of a decision to decline this portion of the penalty and accept the play. Such election shall be made immediately at the end of the play), and;
  - ii. The manager of the team will be ejected from the game, the batter who violated the rule will be ejected from the game, and the offensive team will lose one eligible adult base coach for the duration of the game.
  - c. **9- to 11-Year-Old Division:** The batter may advance on an uncaught third strike (6.05/6.09). This rule will not apply for the **8- to 10-Year-Old Division**.
  - d. Twice a game but not more than one time per inning, a team may utilize a player who is not in the batting order as a special pinch-runner for any offensive player. A player may only be removed for a special pinch-runner one time during a game. The player for whom the pinch-runner runs is not subject to removal from the lineup. If the pinch-runner remains in the game as a substitute defensive or offensive player, the player may not be used again as a pinch-runner while in the batting order. However, if removed for another substitute that player or any player not in the line-up, is again eligible to be used as a pinch-runner.
  - e. Each umpire has authority to disqualify any player, coach, manager, or substitute for objecting to decisions or for unsportsmanlike conduct or language and to eject such disqualified person from the playing field. If an umpire disqualifies a player while a play is in progress, the disqualification shall not take effect until no further action is possible in that play. The stealing and relaying of signs to alert the batter of pitch selection and/or location is unsportsmanlike behavior. If, in the judgment of the umpire this behavior is occurring, those responsible including any player(s), coach(es), and/or manager shall be ejected from the game.
4. **PITCHING RULES – LITTLE LEAGUE, 8- TO 10-YEAR-OLD, 9- TO 11-YEAR-OLD, INTERMEDIATE (50-70) DIVISION, AND JUNIOR LEAGUE**

A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game, nor have any communications whatsoever with any persons at the game site. This includes pregame and postgame activities. Violation may result, by action of the Tournament Committee, in further suspension, forfeiture of a game and/or disqualification of the team, managers or coaches from further tournament participation.

5. **FORFEITS:** No game may be forfeited or a team disqualified without the authorization of the Tournament Committee. Violations which may result in forfeiture or disqualification must be reported immediately to the Regional Director before further play takes place which would involve a team or teams affected by such action.
6. **BENCH/DUGOUT:** No one except the players, manager, and coach(es) shall occupy the bench or dugout during a game. Base coaches may be players or adults. Two (2) adult base coaches are permitted at all levels subject to playing rule 4.05(b).
7. **VISITS:** A manager or coach may not leave a dugout for any reason during a game without receiving permission from an umpire. The manager or coach may be removed from the field for the remainder of the game for violation of this rule. When permission is granted, the manager or coach will be permitted to go to the mound to confer with the pitcher or any defensive player(s). A manager or coach who is granted a time out to talk to any defensive player will be charged with a visit to the pitcher.

9. **MANDATORY PLAY: 8- to 10-Year-Old Division, 9- to 11-Year-Old Division, Little League, Intermediate (50-70) Division and Junior League:** If a tournament team has thirteen (13) or more eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of one (1) at bat. If a tournament team has twelve (12) or fewer eligible players in uniform at a game, then every player on a team roster shall participate in each game for a minimum of six (6) consecutive defensive outs and bat at least one (1) time.
  - a. Prior to the start of play in the top of the fourth inning [**Intermediate (50-70) Division/Junior League:** fifth inning], the umpire-in-chief or other individual designated by the game Tournament Director in consultation with the official

scorekeeper, shall advise both team managers of their obligation to insert all players who have not completed their mandatory play requirement into the line-up as outlined below. A manager's failure/refusal to insert players into the line-up as outlined below shall result in immediate ejection of the manager and removal for the remainder of the International Tournament.

1. If a team has 12 or fewer players in uniform at the start of a game, and is:
    - a. **Visiting Team:** Any player(s) who has yet to enter the game to meet the defensive requirement of mandatory play must be inserted prior to the first pitch or play in the bottom half of the fourth inning [**Intermediate (50-70) Division/Junior League:** fifth inning] into one of the next six (6) positions in the line-up, that will ensure all requirements of mandatory play will be satisfied, absent a shortened game, including one at-bat.
    - b. **Home Team:** Any player(s) who has yet to enter the game to meet the defensive requirement of mandatory play must be inserted prior to the first pitch or play in the top half of the fifth inning [**Intermediate (50-70) Division/Junior League:** sixth inning] into one of the next three (3) positions in the line-up, that will ensure all requirements of mandatory play will be satisfied, absent a shortened game, including one at-bat.
  2. If a team has 13 or more players in uniform at the start of a game, players must be inserted into the line-up to bat offensively during the:
    - a. **Visiting Team:** fourth or fifth inning, or as one of the first three batters in the sixth inning [**Intermediate (50-70) Division/Junior League:** fifth or sixth inning, or as one of the first three batters in the seventh inning], that will allow their one at-bat to be satisfied.
    - b. **Home Team:** fourth inning or as one of the first three batters in the fifth inning [**Intermediate (50-70) Division/Junior League:** fifth inning or as one of the first three batters in sixth inning], that will allow their one at-bat to be satisfied.
- b. Managers are solely responsible for ensuring that all players fulfill the requirements of mandatory play, even if notification is not made.
  - c. There is no exception to this rule unless the game is shortened for any reason. **NOTE:** A game is not considered shortened if the home team does not complete the offensive half of the sixth or seventh inning (or any extra inning) due to winning the game.
  - d. **Failure to meet the mandatory play requirements in this rule is a basis for protest. If one or more players on a roster do not meet this requirement, and if protested or brought to the Tournament Committee's attention, in the removal of the team's manager, without replacement, for the remainder of the International Tournament. Additional penalties (including but not limited to forfeiture of a game, additional mandatory play requirements for players who failed to meet mandatory play, and/or disqualification of the team or coaches from further tournament participation) may be imposed if, in the opinion of the Tournament Committee:**

1. a manager or coach takes any action that results in making a travesty of the game, causing players to intentionally perform poorly for the purpose of extending or shortening a game, or;
2. a team fails to meet the requirements of this rule more than once during the International Tournament, which begins with District play and ends at the World Series level (State level for 8- to 10- and 9- to 11-Year-Old Divisions), or;
3. a manager willfully and knowingly disregards the requirements of this rule.

A manager or coach suspended for any reason is not permitted to be at the game site and must not take any part in the game, nor have any communications whatsoever with any persons at the game site. This includes pregame and postgame activities. Violation may result, by action of the Tournament Committee, in further suspension; forfeiture of a game; and/or disqualification of the team, managers, or coaches from further tournament participation.

- e. For the purposes of this rule, “six (6) consecutive defensive outs” is defined as: A player enters the field in one of the nine defensive positions when his/her team is on defense and occupies such position while six consecutive outs are made; “bat at least one (1) time” is defined as: A player enters the batter’s box with no count and completes that time at bat by being retired or by reaching base safely.
10. **SUBSTITUTIONS/RE-ENTRY:** This tournament rule replaces regular season Rule 3.03 (re-entry) for all levels of tournament play.
- a. If illness, injury, or the ejection of a player prevents a team from fielding nine (9) players, a player previously used in the lineup may be inserted, but only if there are no other eligible substitutes available. The opposing team manager shall select the player to re-enter the lineup. A player ejected from the game is not eligible for re-entry.
  - b. Any player who has been removed for a substitute may re-enter the game in the **SAME** position in the batting order.
  - c. **A substitute entering the game for the first time may not be removed prior to completion of her/his mandatory play requirements.**

**NOTE 1:** See definitions in Rule 9(d) above on complying with this rule defensively and offensively. Tournament Playing Rule 10(c) does not apply to Senior League.

**NOTE 2:** A player who has met the mandatory play requirements, and is a pitcher at the time she/he is removed, may be removed for a substitute batter and re-enter the game as a pitcher once, provided the pitcher was not physically replaced on the mound. If a team has thirteen (13) or more players in uniform at the start of a game and is the visiting team, they may substitute a batter for the starting pitcher listed in the line-up prior to the pitcher facing a batter without violating Rule 3.03(c) provided that the pitcher of record pitches to the first batter in the bottom of the first inning in accordance with Rule 3.05. All other rules governing the pitcher are still in effect.

**EXCEPTION:** Does not apply to Senior League.

**EXAMPLE:** Player A is a starter and not a pitcher, Player B substitutes into the game for player A. Both players have met mandatory play by completing one time at bat and/or 6 consecutive outs and both occupy the same spot in the batting order. In the fifth inning player A becomes a pitcher and is scheduled to bat in the sixth inning, but player B bats for player A. Both players have met mandatory play requirements and player A was not physically replaced on the mound as a pitcher, therefore, player A can return to pitch the sixth inning.

- d. Defensive substitutions must be made while the team is on defense. Offensive substitutions must be made at the time the offensive player has her/his turn at bat or is on base.
  - e. A starter and her/his substitute must not be in the lineup at the same time, except as provided in Playing Rule 10(a).
  - f. Improper substitution is a basis for protest. Protests involving improper substitution not resolved before the next pitch or play shall not be considered.
  - g. Tournament Rule 3(d) will replace Rule 7.14, as the Special Pinch Runner rule.
  - h. **Intermediate (50-70) Division/Junior/Senior League only:** A pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game. **Senior League only:** Rule 3.03, Designated Hitter, WILL apply during the tournament.
  - i. **Senior League:** Any player in the starting line-up, including the designated hitter, who has been removed for a substitute may re-enter the game ONCE, provided such player occupies the same batting position as he or she did in the starting line-up. A substitute (non-starter) may not re-enter the game in any position once that player is removed from the line-up.
11. **SUSPENDED GAMES:** Any game in which a winner cannot be determined in accordance with the playing rules shall be resumed from the exact point at which it was suspended regardless of the number of innings played. Incomplete (not regulation) or tie games are considered suspended games. **NOTE:** A contest decided by forfeit does not constitute a “game” for the purposes of this rule, unless one complete inning was physically played before the game was forfeited. (Forfeits are only by decree of the Tournament Committee in Williamsport.)
12. **RUN RULE:** If at the end of three (3) innings [**Intermediate (50-70) Division/Junior/Senior League:** four innings], two and one-half innings [**Intermediate (50-70) Division/Junior/Senior League:** three and one-half innings] if the home team is ahead, one team has a lead of fifteen (15) runs or more, the manager of the team with the least runs shall concede the victory to the opponent. If at the end of a regulation game one team has a lead of ten (10) runs or more, the manager of the team with the least runs shall concede the victory to the opponent. **NOTE 1:** If the visiting team has a lead of fifteen (15) or ten (10) or more runs respectively, the home team must bat in its half of the inning. **NOTE 2:** A game determined by the 15-run rule, shall be considered a regulation game.

13. **REGULATION GAME:** Each tournament game must be played to the point of being an official game:
- Regulation games are of four or more innings [five or more innings for **Intermediate (50-70) Division/Junior/Senior League**] in which one team has scored more runs than the other [three and one-half (3½) if the home team is ahead or four and one-half (4½) if the home team is ahead in **Intermediate (50-70) Division/Junior/Senior League**].
  - Regulation games (when a winner can be determined) terminated because of weather, darkness, or curfew must be resumed if the visiting team ties the game or takes the lead in its half of the inning and the home team does not complete its at bat or take the lead in an incomplete inning. This does not apply to games suspended or delayed by weather that may still be resumed before darkness or curfew (as defined in Tournament Rules and Guidelines – Curfew) on the same day.
  - If two games are scheduled for the same site, no “time limit” may be imposed on the first game.
14. **TIE GAME:** When the completion of six innings [**Intermediate (50-70) Division/Junior/Senior League**: seven innings] and the score is tied, the following tie-breaker will be played to determine a winning team:
- The seventh inning [**Intermediate (50-70) Division/Junior/Senior League**: eighth inning] will be played as normal.
  - Starting in the top of the eighth inning [**Intermediate (50-70) Division/Junior/Senior League**: ninth inning], and each half inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on second base. **EXAMPLE:** If the number five batter is the lead-off batter, the number four batter in the batting order will be placed on second base. An eligible substitute or special pinch runner may be inserted for the runner.
15. **REPLAYING GAMES:** No tournament game may be replayed without specific approval from the Tournament Committee at Williamsport.
16. **UNAUTHORIZED AGREEMENTS:** No agreements shall be made between managers, and/or Tournament Directors, and/or umpires contrary to Tournament Rules.
17. **ALTERCATIONS:** A manager, coach, or player shall not leave their position in the field or bench area during a fight or physical confrontation; a manager or coach who attempts to prevent a fight or restore order, in the umpire’s judgment, is not in violation of this rule.
- Penalty:** The umpire shall eject the offender(s) from the game immediately. Failure to comply with the ejection may result in the umpire suspending the game. The Tournament Director shall refer all incidents to the Tournament Committee who may impose additional penalties and/or actions towards individuals and/or teams up to and including forfeiture of a game, further suspension and/or disqualification.

18. **EJECTIONS:** Any manager, coach, or player ejected from a game will be suspended for the next physically played game (See Rule 4.07). This includes pregame and postgame activities. Ejections shall be noted in the tournament team's affidavit in the Record of Ejections on page 4. Entry should include member's name and date ejected and be signed by the Tournament Director or District Administrator.

This request must accompany the mileage reimbursement form.

Mileage compensation is \$1 per mile. Little League International, Williamsport, Pennsylvania, will make all arrangements and reservations for transporting the Regional champions to and from the World Series.

### **Guidelines for Conduct of Tournament**

The following standards for the conduct of tournament play are for the guidance and information of Tournament Directors and participating leagues. Experience of hundreds of field directors responsible for the conduct of the tournament at all levels over many years is reflected in these guidelines which should be studied carefully and applied totally to assure successful staging of the various levels of play.

#### **District Administrators**

District Administrators or their appointed assistants will direct the tournaments. This responsibility may not be delegated to a local league. The Tournament Director conducts or supervises play up to and including the final game of that level; collects or directs the collection of all funds belonging to the tournament; pays or directs payments from moneys so collected or received; and makes required reports to leagues involved and to the Regional Office.

The league or leagues hosting tournaments may not assume responsibility for, nor physically operate, the tournament. The league or leagues may not retain tournament income, may not make payments from nor obligate tournament funds for any purpose.

At the district tournament meeting the Tournament Rules should be reviewed in briefing league representatives, umpires, and others involved in the tournament. Before assigning tournament games, the District Administrators should inspect all prospective sites. It cannot be emphasized too strongly that providing the best possible playing conditions on regular fields is the obligation of the District Administrator.

#### **Tournament Director**

1. District, Sectional, Divisional, State, or Regional Tournament Director may provide appropriate awards to participating teams and players.
2. Each Tournament Director shall report as follows:
  - a. Advise each participating league of schedule, time, and site of games.
  - b. Forward completed schedule to the Regional Director showing winners at each level of play.
  - c. Pay allowable expenses and distribute balance of tournament income to the District Fund and/or leagues on a per-game basis. Where one or more teams travel greater distances than others, a mileage allowance may be paid before distributing the per-game shares.
  - d. Forward completed financial report to the Regional Director within ten (10) days following final game of each level of tournament.

**NOTE:** 8- to 10-Year-Old Division and 9- to 11-Year-Old Division advances to State level only.

**NOTE 1:** 8- to 10-Year-Old and 9- to 11-Year-Old Divisions advance to State level only. **NOTE 2:** Host leagues may retain concession income.

To assure a successful tournament, it is desirable that the director (particularly at Sectional, Divisional, State, and Regional levels) appoint assistants and committee chairpersons to undertake the various functions which are essential. The following are suggested:

1. **Finance:** To solicit donations, supervise collections at games, sale of advertising and programs, etc. Host leagues may not conduct fund raising projects unless approved by the Tournament Director.

### Television

Only Little League International may authorize the televising (live or taped) of tournament games. The District Administrator or Tournament Director may recommend approval, but may not make commitments or sign any agreement or contracts for the televising of games.

Not later than two weeks prior to the start of the tournament at the level to be televised, the director having jurisdiction shall submit in writing complete details of the proposal to

Little League International. Videotaping of games is permissible provided tapes are not sold or used for any commercial purposes.

Brief, televised reports on tournament games and activities on news programs are permitted.

### **Live-Streaming**

With live-streaming becoming much easier to accomplish, local leagues may be interested in webcasting or live-streaming games through their own local league website, official social media account, or other digital platform. Leagues are permitted to stream/webcast games through these league-owned platforms granted they follow all Little League policies regarding commercialization and trademarks and have the appropriate releases from all participants and notices for attendees. For any stream/webcast that is through any outlet that is not fully owned and/or operated by a local league, Little League International is the only body that can authorize or disallow the live-streaming or web-casting of tournament games. A contract (provided by Little League International) must originate with the local District Administrator, tournament director, or local Little League president. (See Regulation XV.)

### **Programs**

The District Administrator or Tournament Director may authorize the publication of a program or scorecard as a means of providing additional financing for the tournament at that level. However, they may not execute contracts or other commitments in the name of, or as agents for, Little League International.

All funds (net) realized from advertising and/or sale of programs must be applied to the tournament fund at that level.

## International Tournament Pool Play Format

### Section I – Guidelines

The Pool Play Format should only be used in divisions in which there is a reasonable expectation for all teams to play all games for which they are scheduled. In divisions in which teams traditionally drop out at the last moment, or partway through the tournament, the standard double-elimination or single-elimination formats should be used instead.

The following conditions must apply to all Pool Play Format tournaments, unless specified as optional:

- A. In the event a team or teams drop out of a pool play format tournament before the first game of the tournament is played (by any team in the tournament), the pools must be redrawn. If a team or teams drop out or is/are removed by action of the Tournament Committee after the first game is played, the matter must be referred to the Tournament Committee for a decision.
- B. A Pool Play Format tournament may have one or more pools.
- C. The pool assignments (or “draw”) must either be a blind draw, or must be based on geographic considerations. Pool assignments must never be “seeded” based on the expected ability of the teams.
- D. In all cases, the results of Pool Play have no bearing on the next segment of play, with the exception of rules and regulations regarding rest periods for pitchers, (i.e., losses do not “carry over”).
- E. It is preferable for each team in a given pool to be scheduled to play all other teams in that pool once.
- F. Each team within any one pool must be scheduled to play an equal number of games as the other teams in that pool.
- G. In the case of a one-pool tournament, one team may advance to become the tournament champion, based solely on the results of pool play, at the discretion of the tournament director. More commonly in a one-pool tournament, however, two teams advance to play each other for the tournament championship.
- H. If more than one pool is used, and the total number of teams in the largest and smallest of the pools combined is less than ten (10), the number of teams in the largest pool must be no more than one team greater than the number of teams in the smallest pool. Example:

<b>Acceptable</b>	
<b>Pool A</b>	<b>Pool B</b>
4 teams	5 teams

<b>Not Acceptable</b>	
<b>Pool A</b>	<b>Pool B</b>
3 teams	6 teams

- I. If more than one pool is used, and the total number of teams in the largest and smallest of the pools is ten (10) or more, the number of teams in the largest pool must be no more than two teams greater than the number of teams in smallest pool. Example:

<b>Acceptable</b>	
<b>Pool A</b>	<b>Pool B</b>
4 teams	6 teams

<b>Not Acceptable</b>	
<b>Pool A</b>	<b>Pool B</b>
3 teams	7 teams

## TOURNAMENT RULES AND GUIDELINES

---

- J. In the case of tournaments involving more than one pool, one or more teams may advance out of each pool to the next segment. In most cases, when two teams advance, the schedule may be arranged so that teams will “cross over” for the purpose of seeding in the next round. For example, in a two-pool tournament:
1. The first-place team in Pool A plays the second-place team in Pool B.
  2. The first-place team in Pool B plays the second-place team in Pool A.
  3. The winners of those two games play each other for the championship.
  4. A consolation game may be scheduled between the losing teams. The crossover method, however, is not required. At the discretion of the tournament director, the teams advancing from pool play could be re-drawn for placement in the next round via blind draw.
- K. In the case of tournaments involving more than one team advancing out of pool play into a playoff, the playoff format may be single- or double elimination, at the discretion of the tournament director. However, if the published format calls for double-elimination, and the tournament director subsequently wishes for it to revert to single-elimination because of delays caused by weather, etc., this can only be approved by the Tournament Committee in Williamsport.
- L. The tournament director may, at his/her discretion, use a format in which all teams that finish the pool play round with a specific won-lost record will advance. In the following examples, the format calls for advancing all teams (from a 10-team pool in which each team plays only seven games) that finish pool play with zero or one loss. Example 1: Among the 10 teams in the pool, two finished with 7-0 records, while two others finished with 6-1 records. Result – These four teams advance and the other six teams are eliminated. Example 2: Among the 10 teams in the pool, one finished with a 7-0 record, while two others finished with 6-1 records. Result – These three teams advance and the other seven teams are eliminated.
- M. The tiebreaker methods published herein by Little League International are the only methods that will be used when a tiebreaker is required. If any question or controversy arises, it must be referred to the Regional Headquarters before advancing a team.
- N. A manager is not permitted to purposely forfeit any game for the purpose of engineering the outcome of pool play, and may be removed from the tournament by action of the Tournament Committee in Williamsport. Additionally, the Tournament Committee may remove such a team from further tournament play.
- O. Only the Tournament Committee can forfeit a game in the International Tournament, and reserves the right to disregard the results of a forfeited game in computing a team’s won-lost record and Runs-Allowed Ratio. (Section IV)
- P. When a manager or coach instructs his/her players to play poorly for any reason, such as, but not limited to the following, such action may result in the manager’s removal by the Umpire-in-Chief, and/or removal of the manager, coach(es) and/or team from further tournament play. **NOTE:** This policy is not intended to prevent a manager from using lesser-skilled players more frequently if he or she wishes, even if such action may result in losing a game:
1. losing a game to effect a particular outcome in a Pool Play Format tournament;
  2. so as to lose a game by the 10-run rule;
  3. to delay the game until the curfew; to allow an opponent to tie the score so that more innings may be played, etc.

## Section II – Segments of a Pool Play Tournament

- A. Under this format, there are two distinct segments to a pool play format tournament.
1. In Segment 1 – The Pool Play Round, the teams are divided into a number of pools (usually two to four pools). Each team in each of the pools should play the other teams in that pool once. By decision of the tournament director, one or more teams with the best records(s) in the pool will advance to the next segment. **NOTE:** In a one-pool format, one or more teams may advance to become the tournament champion. If only one team advances, there is no second segment.
  2. In Segment 2 – The Elimination Round, the teams advancing out of Segment 1 are matched up in either a standard single-elimination format, or a standard double-elimination format.
- B. Once a segment is completed, games played previously have no bearing on the next segment, with the exception of:
1. rules and regulations regarding the required rest periods for pitchers;
  2. rules and regulations regarding players, managers and/or coaches that were ejected and the prescribed penalties resulting from the ejection.

## Section III – Tiebreaker Procedures

- A. In all cases, the team(s) advancing past Segment 1 must be the team(s) with the best won-lost record(s) during pool play. The tournament director will decide the number of teams that will advance beyond pool play, and such determination must be made available to the leagues/teams involved before the tournament begins.
- B. When records are tied, however, the following procedures must be applied in order, so that the tie can be broken. These procedures also apply to determining the seeding for Segment 2 (the playoff round), if seeding for Segment 2 is based on results of pool play.
1. The first tiebreaker is the result of the head-to-head match-up(s) during pool play (Segment 1) of the teams that are involved in the tie.
    - a. If one of the teams involved in the tie has accomplished EVERY ONE of the following, then that team will advance:
      - i. Defeated all of the other teams involved in the tie at least once; AND,
      - ii. Defeated all of the other teams involved in the tie in every one of the pool play games it played against those teams; AND,
      - iii. Played each of the teams involved in the tie an equal number of times.

**Example:** Three teams are tied with identical records for first place at the end of pool play, and one team is to advance to Segment 2. Teams A, B and C played against each other once in pool play. Team A won all of its games against Team B and Team C during pool play. Result – Team A advances, while Team B and Team C are eliminated.
  2. If the results of the head-to-head match-up(s) during pool play of the teams that are involved in the tie cannot break the tie (because no team defeated each of the other teams in the tie each time they played, or because no team has defeated all of the other teams involved in the tie in every one of the pool play games played between those teams, or because the teams involved in the tie did not play one another an equal number of times during pool play), then the tie is broken using the Runs-Allowed Ratio (see Section IV).

- C. In all cases, if the tie-breaking principles herein are correctly applied and fail to break the tie, or if these guidelines are not applied correctly (in the judgment of the Tournament Committee in Williamsport), then the matter will be referred to the Tournament Committee, which will be the final arbiter in deciding the issue. If a tie cannot be broken through the proper application of these guidelines (in the opinion of the Tournament Committee), then a playoff, blind draw or coin flip will determine which team(s) will advance. This is a decision of the Tournament Committee.

### Section IV – Runs-Allowed Ratio

- A. For each team involved in a tie in which head-to-head results cannot be used (because no team defeated each of the other teams in the tie each time they played, or because no team has defeated all of the other teams involved in the tie in every one of the pool play games played between those teams, or because the teams involved in the tie did not play one another an equal number of times during pool play), the tournament director will calculate: The total number of runs given up in all pool play games played by that team, divided by 6 innings for **Little League and below** [7 innings for **Intermediate (50-70) Division/Junior/Senior League**]. This provides the Runs-Allowed Ratio.
1. Example: The Hometown Little League (Major) team has given up eight (8) runs in all four (4) of its pool play games. 8 divided by 24 equals .3333.
  2. The Runs-Allowed Ratio for Hometown Little League (.3333 in the example above) is compared to the same calculation for each of the teams involved in the tie.
- B. The Runs-Allowed Ratio is used to advance ALL teams after it is determined that head-to-head cannot be used.
- C. If, after computing the Runs-Allowed Ratio using results of all pool play games played by the teams involved in the tie:
1. one team has the lowest Runs-Allowed Ratio, that team advances. After one team has advanced using the Runs-Allowed Ratio, each subsequent team needed to advance is determined by the Runs-Allowed Ratio until all teams are determined and seeded.
  2. two or more teams remain tied with the same runs-Allowed Ratio, and the methods detailed in Section III – Tiebreaker Procedures cannot be used (because no team defeated each of the other teams in the tie each time they played, or because no team has defeated all of the other teams involved in the tie in everyone of the pool play games played between those teams, or because the teams involved in the tie did not play one another an equal number of times during pool play), then the Runs-Allowed Ratio must be recomputed using statistics only from the pool play games played between the teams involved in the tie. The results are used to advance ONE team, and any other ties must revert to the Runs-Allowed Ratio using all remaining teams.
- D. If a game is forfeited, in most cases the score of the game will be recorded as 6-0 (for **Little League Divisions and below**) or 7-0 [for **Intermediate (50-70) Division/Junior/Senior League**]. However, only the Tournament Committee in Williamsport can decree a forfeit, and the Tournament Committee reserves the right to disregard the results of the game, to assign the score as noted above, or to allow the score to stand (if any part of the game was played).

- E. In the event a team (defined for this purpose as a minimum of nine players) fails to attend a scheduled game, and it is determined by the Tournament Committee in Williamsport that the failure to attend was designed to cause a forfeit or delay the tournament for any reason, the Tournament Committee reserves the right to remove the team from further play in the International Tournament and/or remove those adults it deems responsible from the team and/or local league.
