Subject: Election of Field Representative for Nomination to International Board of Directors

Dear Dan,

I, Urny Floran, born in Curacao, 63 years of age, and a citizen of Curacao, am currently serving my third term as a District Administrator. Proficient in English, Spanish, Dutch, and Papiamentu, I am writing to express my sincere interest in the upcoming election for the position of Field Representative to the International Board of Directors on the board of Little League.

My dedication to fostering a positive and inclusive environment for young athletes aligns seamlessly with the mission and vision of Little League. Throughout my tenure, I have witnessed the transformative impact that organized sports can have on a child's character, discipline, and teamwork. As a devoted member of our community, I am eager to leverage my skills and experience to further enhance the success of our Little League program.

My diverse background includes over 45 years of experience as a youth leader. With more than 25 years of active involvement in our local Little League community, I am deeply passionate about the values and opportunities that the organization provides for our youth. I have served as a Retired Prison Director with 21 years of experience, former President of the Parent Committee of Liga Pariba Little League, former President of Liga Pariba Little League Curacao, former Assistant to the District Administrator for 7 years, current President of the Curacao Little League Foundation, current District Administrator of Curacao LL, and a current Member of the Little League® International Advisory Board. Additionally, I have been actively involved in organizing and hosting various Little League Baseball Regional Tournaments from 2014 until now.

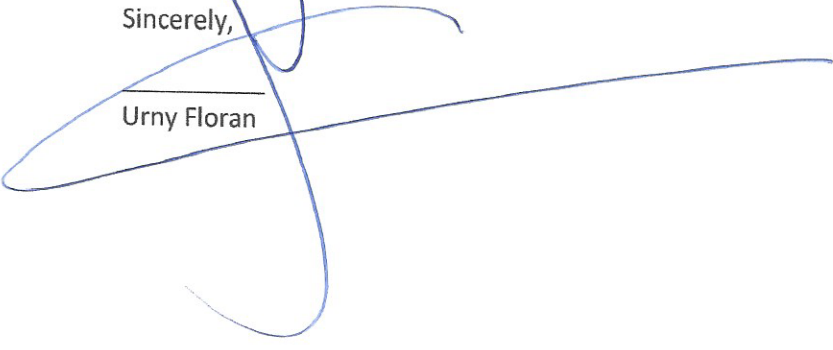

These experiences have provided me with a profound understanding of the challenges and opportunities that our Little League faces. If elected as the Field Representative of the Board of Directors, I am committed to collaborating with the board and fellow volunteers to ensure the continued success and growth of our Little League program, both in general and specifically in Latin America.

I am confident that my passion for the game, coupled with my organizational and leadership skills, will contribute significantly to the prosperity of Little League. I am enthusiastic about the prospect of serving as a Field Representative and am dedicated to upholding the values and standards that make our Little League community strong.

Thank you for considering my candidacy. I look forward to the opportunity to discuss my vision and plans for the role further during the upcoming elections.

Sincerely,

Urny Floran
