

Maps & Waivers

boundary maps

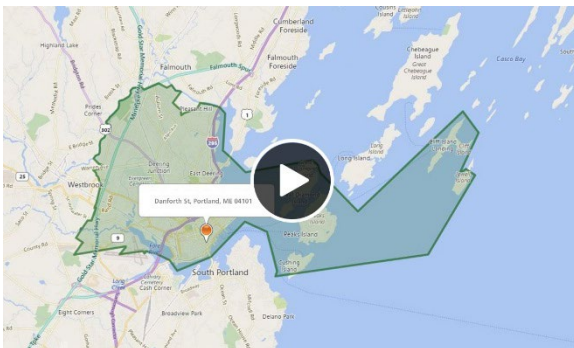

Online maps are nearing its initial completion. Region continues to receive map overlaps and/or active leagues that may not be showing a boundary map.

A boundary map may NOT change without approval from the Charter Committee.

boundary maps

- All maps need to include a written boundary description to make it easy for the IT team to upload.
- LLI doesn't want leagues to make map changes on their own. In the next year, D.A.s will be able to submit maps through the Data Center.
- LLI is digitizing all maps with the goal of no longer using paper maps held at the Region. All maps can be viewed through the Data Center and League Finder.

pre-season planning / waiver requests

- Each local league must follow all rules, regulations, and policies.
- Each league may make a request to operate outside of a specific rule, regulation, or policy.
 - * *Nothing is off limits*
- However, it is only a request and no guarantee of approval is provided.
- **NOTE:** Waiver cases not being heard: 10 YO and 14 YO to play in Intermediate. Also, cases **HISTORICALLY DENIED** are 13 YOs playing Majors & adjusting pitching distances.

pre-season planning / waiver requests

- Until approval is provided, the league may NOT utilize the requested alteration.
- Requests and any subsequent approvals are annual.
- All requests must be submitted and approved prior to June 1.

pre-season planning / waiver process

- Only the local league can apply for a waiver. Not a parent or player.
- When there is a request, the local league BOD votes on whether or not to request the waiver.
- If the BOD votes to request the waiver, the president writes a letter, detailing the request. Supporting documents are attached and forwarded to the local D.A.
- The D.A. includes his/her written opinion, and forwards all documents to the Regional office.
- The Regional staff will then present the situation to the International Charter Committee for action.
- The Charter Committee will alert the Region of its decision, and the Region will inform the D.A. of that decision.
- If a waiver is granted, the adjustment is only for the current season.

pre-season planning / charter committee

- The only entity to allow a league to operate outside of the rules, regulations, and policies is the Charter Committee located at Little League International in Williamsport, Pa.
 - * *The Regional Office is provided limited ability to review and respond to various types of requests.*
 - * *The District has NO authority to grant any waiver requests.*
- The Charter Committee is made up of Operations staff members from Little League International.
